AN ACT suspending the issuance of permits for the drilling of wells for natural gas extraction in certain areas; and providing for the repeal of such provision upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. No horizontal natural gas or oil drilling or high-volume hydraulic fracturing shall be conducted in the state, and the department of environmental conservation shall issue no permits for the drilling of a well for extraction of oil or natural gas that would involve the use of horizontal drilling or high-volume hydraulic fracturing.

§ 2. This act shall take effect immediately and shall expire and be deemed repealed 36 months after such effective date.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
