March 13, 2009

Introduced by M. of A. CAMARA -- read once and referred to the Committee
on Housing

AN ACT to amend the private housing finance law and the retirement and
social security law, in relation to authorizing the use of public
retirement or pension funds for the purpose of establishing permanent
affordable housing; and establishing a permanent affordable housing
advisory board

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-
BLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and declarations. The legislature
2 finds and determines that there continues to exist in the state a seri-
3 ously inadequate supply of safe and sanitary dwelling accommodations for
4 persons of low income. This condition is contrary to the public interest
5 and threatens the health, safety, welfare, comfort and security of the
6 people of the state.
7 The legislature further finds and declares that many homeless families
8 live in overcrowded and often dilapidated welfare hotels; that temporary
9 housing is expensive and yet offers only minimal services; and that the
10 state must continue to develop cost effective alternatives to temporary
11 housing, ultimately permanent housing is the only real answer to the
12 housing crisis.
13 The legislature further finds and reveals that the ordinary operations
14 of private enterprise cannot provide an adequate supply of safe and
15 sanitary dwelling accommodations rentals which families and persons of
16 low income can afford. The legislature therefore finds that the state
17 should dedicate a portion of the New York state pension funds to create
18 a sinking bond for the creation of permanent affordable housing for
19 families and persons who are homeless, at risk of being homeless, and/or
20 low income families and persons. To promote business in the state of New
21 York, it shall be the intent of the legislature to encourage small busi-
22 nesses to participate in the rehabilitation and construction of dwell-

The aforesaid agencies, public benefits corporations and public authorities are authorized to provide such assistance within their respective functions as the permanent affordable housing board may require.

2 prises shall be given the opportunity for meaningful participation. The
3 permanent affordable housing advisory board established pursuant to
4 section four of this act shall establish measures and procedures to
5 secure meaningful participation and identify those contracts and items

7 bid to actively and affirmatively promote and assist their participation
8 in the construction program for affordable housing dwellings, so as to
9 facilitate the award of a fair share of contracts to such enterprises;

27 shall consider compliance by any contractor with the requirements of any
28 federal, state, or local law concerning minority and women-owned busi-

30 If the contracting agency determines that by virtue of the imposition of
31 the requirements of any such law, in respect to capital project
32 contracts, the provisions thereof duplicate or conflict with such law,
33 the contracting agency may waive the applicability of this section to
34 the extent of such duplication or conflict.

35 (3) Nothing in this section shall be deemed to require that overall
36 state and federal requirements for participation of minority and women-

38 applied without regard to local circumstances to all projects or in all
39 communities.

40 (b) In order to implement the requirements and objectives of this
