STATE OF NEW YORK

9951--A

IN ASSEMBLY

April 19, 2022

Introduced by M. of A. OTIS -- read once and referred to the Committee on Science and Technology -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the state finance law, in relation to procurement requirements for end point device security

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 165 of the state finance law is amended by adding a new subdivision 9 to read as follows:

9. End point device security. (a) For the purposes of this subdivision "end point device" shall mean personal computing goods that include desktops, laptops, all-in-ones, tablets, mobile or cellular telephones, thin clients, and monitors of various sizes; printers; and multi-functional devices that include imaging devices that combine operations such as copying, printing, scanning and faxing into one machine.

(b) The commissioner and all state agencies, when procuring end point devices, shall require those devices, services and solutions to meet the National Institute of Standards and Technology (NIST) Cybersecurity Framework.

(c) Within one year of adoption of any amendments to the security standards and guidelines referenced in paragraph (b) of this subdivision the commissioner and each state agency shall update their end point device procurement requirements.

§ 2. This act shall take effect on the ninetieth day after it shall have become a law.

EXPLANATION--Matter in ***italics*** (underscored) is new; matter in brackets [-] is old law to be omitted.
