AN ACT to amend the county law, in relation to establishing guidelines of professional conduct for activities by district attorneys

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative findings. The legislature hereby finds that 1 district attorneys and other public prosecutors, as public officers 2 3 charged with overseeing that justice is done, owe a duty of fair dealing 4 to those accused and candor to the courts. This act seeks to ensure that New York state's district attorneys and other public prosecutors comply 5 б with these fundamental duties by establishing a minimum code of conduct 7 to quide their behavior in the performance of their official responsi-8 bilities.

9 The legislature also recognizes that the state and its citizens are 10 served not only when the guilty are convicted but when criminal trials fair and that our system of the administration of justice suffers 11 are when any accused is treated unfairly. This act seeks to guarantee that 12 district attorneys and other public prosecutors make timely disclosure 13 to the defense of all evidence required to be disclosed pursuant to the 14 15 laws and the constitution of the state of New York and the constitution 16 of the United States.

17 The legislature further finds that collaboration between district attorneys and the press as to information affecting the fairness of a 18 criminal proceeding is not only subject to regulation, but is highly 19 censurable and worthy of penalties therefor. This act seeks to achieve a 20 21 fair balance between a district attorney's or other public prosecutor's 22 right of free speech and society's interest in protecting the integrity 23 the criminal proceedings and thereby guaranteeing a fair and imparof tial trial. It is the intent of this legislature to insure that informa-24
