January 28, 2009

Introduced by Sen. O. JOHNSON -- read twice and ordered printed, and
when printed to be committed to the Committee on Energy and Telecommu-
nications

AN ACT to direct the New York state energy research and development
authority to study and report upon the best technology to enable blind
and visually impaired utility customers to read their meters; and to
amend the public service law, in relation to directing the public
service commission to promulgate rules and regulations requiring the
implementation of such technologies by utilities

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-
BLY, DO ENACT AS FOLLOWS:

1 Section 1. The New York state energy research and development authori-
2 ty is hereby authorized and directed to study and evaluate the best
3 existing technologies and equipment which could be implemented by utili-
4 ty corporations and municipalities to enable and facilitate blind and
5 visually impaired customers to determine the actual reading of such
6 customers' water meters, electric meters and/or gas meters.
7 S 2. Within 180 days of the effective date of this act, the New York
8 state energy research and development authority shall issue and make
9 public a report on the findings of its study and evaluation conducted
10 pursuant to section one of this act. Such report shall include the
11 recommendations of such authority on the feasible, best technologies and
12 equipment available for use by utilities, and blind and visually
13 impaired utility customers to assist such customers in determining the
14 actual readings of their utility meters. In addition, such report and
15 recommendations shall be submitted to the governor, public service
16 commission and legislature.
17 S 3. The public service law is amended by adding a new section 39-a to
18 read as follows:
19 S 39-A. METERING; BLIND AND VISUALLY IMPAIRED UTILITY CUSTOMERS. WITH-
