Introduced by Sen. SCARCELLA-SPANTON -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the administrative code of the city of New York, in relation to discounted quarterly municipal parking field permits for seniors

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The administrative code of the city of New York is amended by adding a new section 19-162.6 to read as follows:

§ 19-162.6 Discounted city-issued quarterly municipal parking field permits. 1. For the purposes of this section, the following terms shall have the following meanings:

(a) "Area median income" shall mean the median family income for the area, as defined annually by the United States department of housing and urban development (HUD) for the New York, NY HUD Metro FMR Area (FMRA), adjusted for the size of the household.

(b) "City-issued quarterly municipal parking field permit" shall mean a permit issued on a quarterly basis by the department that indicates permission to park in a municipal parking field operated by the department.

(c) "Municipal parking field" shall mean an off-street parking field, lot, garage or other off-street parking structure owned and operated by the department for public use.

2. Parking rates for city-issued quarterly municipal parking field permits for municipal parking fields shall be reduced for persons sixty-two years of age or older with annual gross incomes of no more than fifty percent of the area median income. Such reduced rates shall be no greater than fifty percent of the highest parking rate charged for a city-issued quarterly municipal parking field permit.

3. Each person applying for a discounted city-issued quarterly municipal parking field permit or for renewal thereof shall file an application in such form and detail as the commissioner may prescribe.

4. Upon the approval of an application submitted pursuant to subdivision three of this section, the department shall issue a discounted
