FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill would permit any free association public library which meets certain specific criteria to elect participation in the New York State and Local Employees' Retirement System.

If this bill is enacted and an eligible corporation elects participation, the future annual cost would depend on the retirement plan adopted.

As a percentage of payroll, we anticipate that the annual contributions of the affected corporation for the fiscal year ending March 31, 2010, will be as follows:

Tier 1	4.7% to 9.2%
Tier 2	4.5% to 8.5%
Tier 3	6.9%
Tier 4	6.9%

In addition to the annual contributions discussed above, there will be a deficiency cost to the affected corporation which will be payable for a 25 year period. These costs will depend on the age, service, salary, tier status and plan of the affected employees.

This estimate, dated January 27, 2009, and intended for use only during the 2009 Legislative Session, is Fiscal Note No. 2009-116, prepared by the Actuary for the New York State and Local Employees' Retirement System.
