48 in accordance with its terms.

49 4. The banking board shall adopt those rules or regulations as it
50 considers appropriate to govern reverse mortgage loans made pursuant to
51 this section. No reverse mortgage loan shall be made unless it conforms
52 to the requirements of this section and such rules and regulations as
53 the banking board may adopt except those reverse mortgage loans made
54 pursuant to section two hundred eighty-a of this article. A reverse
55 mortgage loan made by any authorized lender, national banking associ-
56 ation, federal savings and loan association or federal credit union in

1 conformity with applicable federal laws and regulations specifically
2 regulating reverse mortgage loans shall be deemed to conform to the
3 requirements of this section unless such reverse mortgage loan fails to
4 conform to such rules and regulations as the banking board has expressly
5 declared to be neither preempted by, nor otherwise inconsistent with
6 such federal laws or regulations. Those rules or regulations shall
7 include, but are not limited to, the form and contents of any disclosure
8 statement, with the exception of the counseling statement prepared by
9 the New York state office for the aging pursuant to paragraph (g) of
10 subdivision two of this section, that authorized lenders must provide to
11 [mortgagors] BORROWERS.

12 5. Notwithstanding any inconsistent provision of law, the priority of
13 the lien of a reverse mortgage, including the lien for all principal,
14 interest, fees, costs, shared appreciation and other charges assessed in
15 connection with the reverse mortgage, shall date from the recording of
16 the reverse mortgage irrespective of the date of any advance of reverse
17 mortgage loan proceeds or the date by which an authorized lender shall
18 be entitled to shared appreciation or accrued but unpaid interest, fees,
19 costs or other charges.

20 6. Nothing in this section shall be construed to limit, impair or
21 otherwise affect the priority under applicable law of any other mort-
22 gage, deed of trust, encumbrance or lien which was recorded or filed
23 prior to the effective date of this section.

24 7. The sale or transfer of the real property securing the reverse
25 mortgage loan [to a person other than an original mortgagor or mortga-
26 gors] shall result in the termination of the loan.

27 8. [In a term reverse mortgage loan, the real property securing the
28 reverse mortgage loan may be reappraised by an independent appraiser at
29 the end of the loan term. If the value of the real property has appre-
30 ciated, the term of the reverse mortgage may be extended or refinanced,
31 however, the total reverse mortgage loan amount may not exceed such
32 amount or ratio as may be determined by the banking board. The refinanc-
33 ing of the reverse mortgage loan shall be provided by the original
34 authorized lender or by any other authorized lender designated by the
35 mortgagee.

36 9.] The principal, including any accrued but unpaid interest, of a
37 reverse mortgage loan agreement entered into pursuant to this section
38 may be insured by the mortgagor. [If such insurance is purchased from
39 or otherwise provided by any agency of the state of New York the mortga-
40 gor shall be granted the right, for a term reverse mortgage loan, to
41 refinance or extend the reverse mortgage loan at the end of the term,
42 subject to such rules or regulations as the banking board may adopt.]
43 The authorized lender shall have the option to choose between refinanc-
44 ing or extending the reverse mortgage loan. Subject to obtaining an
45 adequate increase in the insurance and subject to such rules and regu-
46 lations as the banking board may adopt, the total reverse mortgage loan
47 amount shall not exceed such amount or loan to value ratio as may be
48 determined by the banking board. The refinancing of the reverse mortgage
49 loan shall be provided by the original authorized lender or by any other
50 authorized lender designated by the mortgagee.

51 [10] 9. Any authorized lender offering reverse mortgage loans pursuant
52 to this section shall also offer reverse mortgage loans pursuant to
53 section two hundred eighty-a of this article. Subject to this section in
54 the event that an authorized lender makes reverse mortgage loans under
55 this section then that lender must make an equal number of reverse mort-
56 gage loans pursuant to section two hundred eighty-a of this article.

1 Such loans shall be made to individuals who meet the requirements
2 promulgated in section two hundred eighty-a of this article provided
3 that such individual seeking the loan would otherwise qualify and be
4 approved for that loan. In the event that no or insufficient applica-
5 tions for reverse mortgage loans pursuant to section two hundred eight-
6 y-a of this article are made to a lender who has previously made reverse
7 mortgage loans pursuant to this section then there shall be no require-
8 ment for that lender to make a reverse mortgage loan pursuant to section
9 two hundred eighty-a of this article. It shall also not be a requirement
10 that an authorized lender make any reverse mortgage loan to any individ-
11 ual who would not qualify for such loan and/or would not otherwise be
12 approved for such loan.

13 [11] 10. Nothing contained in this section, section six-h of the bank-
14 ing law or any other provision of law shall be construed to prohibit a
15 banking organization or licensed mortgage banker from providing reverse
16 mortgages to homeowners in this state under the federal housing adminis-
17 tration's home equity conversion mortgage insurance [demonstration]
18 program.

19 S 2. Paragraph (a) of subdivision 1 of section 280-a of the real prop-
20 erty law, as added by chapter 613 of the laws of 1993, is amended to
21 read as follows:

23 on real property improved by a one to four-family residence, COOPERATIVE
24 APARTMENT or condominium that is the residence of the mortgagor(s) the
25 proceeds of which are advanced to the mortgagor(s) during the term of
26 the loan in equal installments, or in advances through a line of credit
27 or otherwise, in lump sums, or through a combination thereof.

28 S 3. This act shall take effect immediately.
