village having a population of less than one million; and (vi) any other person or entity designated or approved, or in a category designated or approved pursuant to regulations of the commissioner in consultation with other appropriate agencies.

(b) "Epinephrine [~~auto-injector~~] **injector** device" means a single-use device used for the [~~automatic~~] injection of a premeasured dose of epinephrine into the human body for the purpose of emergency treatment of a person appearing to experience anaphylactic symptoms approved by the food and drug administration.

(c) "Health care practitioner" means a health care practitioner licensed, certified, or authorized to practice under title eight of the education law who is authorized thereby to administer drugs, and who is acting within the scope of his or her practice.

2. Possession and use. (a) Any eligible person or entity may purchase, acquire, possess and use epinephrine [~~auto-injector~~] **injector** devices for emergency treatment of a person appearing to experience anaphylactic symptoms, under this section.

(b) An eligible person or entity shall designate one or more individuals who have completed the training required by paragraph (c) of this subdivision to be responsible for the storage, maintenance, control, and general oversight of the epinephrine [~~auto-injectors~~] **injector** acquired by the eligible person or entity.

(c) No one may use an epinephrine [~~auto-injector~~] **injector** device on behalf of an eligible person or entity unless he or she has successfully completed a training course in the use of epinephrine [~~auto-injector~~] **injector** devices conducted by a nationally recognized organization experienced in training laypersons in emergency health treatment or by an entity or individual approved by the commissioner, or is directed in a specific instance to use an epinephrine [~~auto-injector~~] **injector** device by a health care practitioner. The training required by this paragraph shall include (i) how to recognize signs and symptoms of severe allergic reactions, including anaphylaxis; (ii) recommended dosage for adults and children; (iii) standards and procedures for the storage and administration of an epinephrine [~~auto-injector~~] **injector**; and (iv) emergency follow-up procedures.

(d) This section does not prohibit the use of an epinephrine [~~auto-injector~~] **injector** device (i) by a health care practitioner or (ii) by a person acting pursuant to a lawful patient-specific prescription.

(e) Every eligible person and entity authorized to possess and use epinephrine [~~auto-injector~~] **injector** devices pursuant to this section shall use, maintain and dispose of such devices pursuant to regulations of the department.

(f) Nothing in this section shall require any eligible person or entity to acquire, possess, store, make available, or administer an epinephrine [~~auto-injector~~] **injector**.

3. Prescriptions. (a) A health care practitioner who is authorized to prescribe drugs may prescribe, dispense or provide an epinephrine [~~auto-injector~~] **injector** device to or for an eligible person or entity by a non-patient-specific prescription.

(b) A pharmacist may dispense an epinephrine [~~auto-injector~~] **injector** pursuant to a non-patient-specific prescription under this subdivision.

(c) This subdivision does not limit any other authority a health care practitioner or pharmacist has to prescribe, dispense, provide or administer an epinephrine [~~auto-injector~~] **injector** device.

4. Application of other laws. (a) Use of an epinephrine [~~auto-injector~~] **injector** device pursuant to this section shall be considered first

aid or emergency treatment for the purpose of any statute relating to liability.

(b) Purchase, acquisition, possession or use of an epinephrine [~~auto-injector~~] **injector** device pursuant to this section shall not constitute the unlawful practice of a profession or other violation under title eight of the education law or article thirty-three of this chapter.

(c) Any person otherwise authorized to sell or provide an epinephrine [~~auto-injector~~] **injector** device may sell or provide it to a person or entity authorized to possess it pursuant to this section.

§ 2. This act shall take effect immediately.
