8 of a profession licensed pursuant to title eight of this chapter, except
9 professionals licensed pursuant to article one hundred thirty-one or

1 pursuant to articles one hundred thirty-two, one hundred thirty-three,
2 one hundred thirty-five, one hundred thirty-seven, one hundred thirty-
3 nine and one hundred forty-one of this chapter to the commissioner of
4 health or his designee, and where appropriate to each hospital at which
5 the professional has privileges, is affiliated, or is employed. The
6 licensee whose license is so surrendered OR FOR WHICH SOME OTHER DISPO-
7 SITION OF THE LICENSE HAS BEEN MADE shall notify all persons who request
8 professional services that he or she has temporarily withdrawn from the
9 practice of the profession IF SUCH TEMPORARY WITHDRAWAL HAS BEEN
10 REQUIRED OF THE LICENSEE BY THE DEPARTMENT. The department may provide
11 for similar notification of patients or clients and of other interested
12 parties, as appropriate under the circumstances of the professional
13 practice and responsibilities of the licensee. [The] WHERE THE LICENSE
14 IS TREATED AS SURRENDERED OR WHERE THE DISPOSITION OF THE LICENSE
15 REQUIRES THE LICENSEE TO OTHERWISE TEMPORARILY WITHDRAW FROM PRACTICE,
16 THE licensure status of such licensee shall be "inactive" and he or she
17 shall not be authorized to practice the profession and shall refrain
18 from practice in this state or in any other state or country. The volun-
19 tary surrender OR OTHER DISPOSITION OF THE LICENSE shall not be deemed
20 to be an admission of disability or of professional misconduct, and
21 shall not be used as evidence of a violation of subdivision three or
22 four of section sixty-five hundred nine of this chapter, unless the
23 licensee practices while the license is "inactive"; and any such prac-
24 tice shall constitute a violation of subdivision eight of said section.
25 The surrender of a license OR OTHER DISPOSITION OF THE LICENSE under
26 this subdivision shall not bar any disciplinary action except action
27 based solely upon the provisions of subdivision three or four of section
28 sixty-five hundred nine of this chapter, and only if no harm to a
29 patient has resulted; and shall not bar any civil or criminal action or
30 proceeding which might be brought without regard to such surrender. A
31 surrendered license OR A LICENSE WHOSE DISPOSITION HAS OTHERWISE
32 RESULTED IN THE TEMPORARY WITHDRAWAL OF THE LICENSEE FROM PRACTICE shall
33 be restored upon a showing to the satisfaction of the department that
34 the licensee is not incapacitated for the active practice of the profes-
35 sion, provided that the department may, by order of the commissioner,
36 impose reasonable conditions on the licensee, if it determines that
37 because of the nature and extent of the licensee's former incapacity,
38 such conditions are necessary to protect the health, safety and welfare
39 of the public. Prompt written notification of such restoration shall be
40 given to all licensing bodies which were notified of the temporary
41 surrender OR OTHER DISPOSITION of the license.

42 2. There shall be appointed within the department, by the board of
43 regents, a committee on drug and alcohol abuse, which shall advise the
44 board of regents on matters relating to practice by professional licen-
45 sees with drug or alcohol abuse problems, and which shall administer the
46 provisions of this section. The board of regents shall determine the
47 size, composition, and terms of office of such committee, a majority of
48 the members of which shall be persons with expertise in problems of drug
49 or alcohol abuse. The committee shall recommend to the board of regents
50 such rules as are necessary to carry out the purposes of this section,
51 including but not limited to procedures for the submission of applica-
52 tions for the surrender of a license OR FOR THE OFFERING OF A LICENSE
53 FOR SOME ALTERNATIVE DISPOSITION and for the referral of cases for
54 investigation or prosecution pursuant to section sixty-five hundred ten
55 of this article if a licensee fails to comply with the conditions of an
56 approved program of treatment. There shall be an executive secretary

1 appointed by the board of regents to assist the committee. The executive
2 secretary shall employ, or otherwise retain, the services of a regis-
3 tered professional nurse with appropriate qualifications in substance
4 abuse and addiction to assist in the implementation of the program
5 authorized by section six thousand five hundred ten-c of this article.
6 Determinations by the committee relating to licensees shall be made by
7 panels of at least three members of the committee designated by the
8 executive secretary, who shall also designate a member of the state
9 board for the licensee's profession as the ex-officio non voting member
10 of each panel. In the case of a determination relating to a licensed
11 nurse, at least one panel member must be a registered professional nurse
12 licensed by the state.

13 3. Application for the surrender of a license OR FOR THE OFFERING OF A
14 LICENSE FOR SOME ALTERNATIVE DISPOSITION pursuant to this section shall
15 be submitted to the committee, and shall identify a proposed treatment
16 or rehabilitation program, and shall include a consent to the release of
17 all information concerning the licensee's treatment to the committee.
18 All information concerning an application, other than the fact of the
19 surrender OR OTHER DISPOSITION of the license and the participation in
20 the program and the successful completion or failure of or withdrawal
21 from the program, shall be strictly confidential, and may not be
22 released by the committee to any person or body without the consent of
23 the licensee. The immunity from disciplinary action conferred by this
24 section shall be conditioned upon the approval of the treatment or reha-
25 bilitation program by the committee and its successful completion by the
26 applicant and the elimination of the incapacity to practice. Approval of
27 a treatment or rehabilitation program by the committee shall not consti-
28 tute a representation as to the probability of success of the program or
29 any assumption of financial responsibility for its costs.

30 4. The immunity from disciplinary action conferred by this section may
31 be revoked by the committee upon a finding that the licensee has failed
32 to successfully complete the program or that the incapacity to practice
33 has not been eliminated. Such revocation shall be made only after notice
34 and an opportunity to be heard, but no adjudicatory hearing shall be
35 required. The matter shall be referred for appropriate proceedings
36 pursuant to section sixty-five hundred ten of this chapter. The license
37 must be returned OR ANY OTHER DISPOSITION OF THE LICENSE ANNULLED unless
38 charges are served pursuant to section sixty-five hundred ten within
39 thirty days after the revocation of the approval of the special treat-
40 ment afforded by this section.

41 5. The commissioner is authorized to adopt regulations to carry out
42 the purposes of this section, including but not limited to the notice of
43 temporary inactive status to be required in different professions and
44 practice situations and the measures required upon ANY temporary with-
45 drawal from practice.

46 6. No individual who serves as a member of a committee whose purpose
47 is to confront and refer either to treatment or to the department licen-
48 sees who are thought to be suffering from alcoholism or drug abuse shall
49 be liable for damages to any person for any action taken by such indi-
50 vidual provided such action was taken without malice and within the
51 scope of such individual's function as a member of such committee, and
52 provided further that such committee has been established by and func-
53 tions under the auspices of an association or society of professionals
54 authorized to practice under this title.

55 7. In addition to the provisions of section two thousand eight hundred
56 three-e of the public health law, any entity licensed pursuant to arti-

cles thirty-six, forty and forty-four of the public health law, and any
mental hygiene facilities, and correctional, occupational, school and
college health services shall provide a report to the office of profes-
sional discipline when there is a suspension, restriction, termination,
curtailment or resignation of employment or privileges in any way
related to a licensed nurse that is impaired when the impairment is
alleged to have been caused by a drug-related problem. Any person,
facility, or corporation which makes a report pursuant to this section
in good faith shall have immunity from any liability, civil or criminal,
for having made such a report except where the conduct constitutes
negligence, gross negligence or intentional misconduct. For the purpose
of any proceeding, civil or criminal, the good faith of any person,
facility or corporation required to make a report shall be presumed.
Such presumption may be rebutted by any competent evidence.

S 2. This act shall take effect immediately.
