Introduced by M. of A. FALL -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to including information on congenital heart defect births as part of the department of health's health care and wellness education and outreach program; to repeal certain provisions of such law relating thereto; and to amend a chapter of the laws of 2024 amending the public health law relating to including information on congenital heart defect births in the informational leaflets required to be given to maternity patients, as proposed in legislative bills numbers S. 9283 and A. 7516-A, in relation to the effectiveness thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 1 of section 207 of the public health law is amended by adding a new paragraph (h) to read as follows:

(h) Births of infants with congenital heart defects, including treatment recommendations, and any other information the commissioner deems appropriate.

§ 2. Subdivision 1-e of section 2803-j of the public health law, as added by a chapter of the laws of 2024 relating to including information on congenital heart defect births in the informational leaflets required to be given to maternity patients, as proposed in legislative bills numbers S. 9283 and A. 7516-A, is REPEALED.

§ 3. Section 3 of a chapter of the laws of 2024 amending the public health law relating to including information on congenital heart defect births in the informational leaflets required to be given to maternity patients, as proposed in legislative bills numbers S. 9283 and A. 7516-A, is amended to read as follows:

§ 3. This act shall take effect on the [~~thirtieth~~] **ninetieth** day after it shall have become a law. Effective immediately, the addition, amend-
