I N S E N A T E

June 19, 2009

Introduced by Sen. STEWART-COUSINS -- read twice and ordered printed,
and when printed to be committed to the Committee on Rules

AN ACT to amend the economic development law and the public service law,
in relation to small business energy assistance and advocacy services

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY,
DO ENACT AS FOLLOWS:

1 Section 1. The legislature hereby finds and declares that rising energy costs present a significant barrier to the economic viability of New
2 York's small businesses, a crucial sector of the state's economy. Small
3 businesses can least afford the time and cost associated with seeking
4 opportunities to conserve energy, utilize energy efficient products and
5 processes and gain access to renewable sources of energy. The viability
6 of small businesses and the overall economic and environmental status of
7 New York state will be enhanced by the development, expansion and
8 promotion of accessible and affordable programs to assist small businesses in energy conservation, energy efficiency, and increased use of
9 renewable resources, and by ensuring equitable treatment of small businesses in the proceedings of energy-related regulatory agencies.

10 The legislature hereby establishes a small business energy assistance
11 and advocacy services program as part of the division for small business
12 within the New York state department of economic development to assist
13 small businesses in accessing energy conservation, energy efficiency and
14 renewable energy programs available through public and private sources,
15 and to advocate for the initiation and expansion of such programs and
16 for equitable treatment of small businesses in regulatory proceedings
17 related to energy.
