AN ACT to amend the banking law, in relation to money services businesses

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative intent. The legislature hereby finds and
2 declares that money services businesses play a vital role in the economy
3 of New York state and that access by the public to efficient, economical
4 and safe money services businesses is a public good. Money services
5 businesses recognize that protection of the financial system from abuse
6 from money launderers and terrorist financiers is a paramount and
7 compelling state interest and therefore comply with standards estab-
8 lished by federal and state statutes and regulations, including the Bank
9 Secrecy Act (Public Law 91-508 and 31 U.S.C. 5311 subchapter II) and the
10 "Interagency Interpretative Guidance on Providing Banking Services to
11 Money Services Businesses Operating in the United States" issued by the
12 Financial Crimes Enforcement Network (FinCEN) of the U.S. treasury
13 department. Furthermore, in ensuring that money services businesses are
14 partners in our state's fight against money laundering and terrorist
15 financing, money services businesses are subject to strict licensing and
16 background verification requirements and, in many cases, bonding
17 requirements by the superintendent of banks. Moreover, money services
18 businesses are subject to constant supervision and examination by the
19 superintendent of banks for safety and soundness, as well as compliance
20 with the bank secrecy act and other anti-money laundering and anti-ter-
21 rorist financing laws and regulations. Nevertheless, the legislature
22 finds that banks in the state have closed accounts and refused to open
23 accounts for money services businesses citing requirements of the bank
24 secrecy act.

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets
[] is old law to be omitted.

1 Therefore, the legislature finds and declares that the systematic and
2 unchecked closing of money services businesses runs counter to the goals
3 of protecting the state and its financial system.

5 follows:
