2009-2010 Regular Sessions

IN SENATE

January 15, 2009

Introduced by Sen. ALESI -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT in relation to establishing the New York state task force on wind generating facilities siting and permitting policies

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- Section 1. Notwithstanding any provision of law to the contrary, there is hereby established a moratorium upon the siting and permitting of wind energy production facilities for a period of 18 months. During the period this section is in effect, no wind energy production facilities shall be constructed or commence operation in any municipality in this state.
- S 2. The New York state task force on wind generating facilities siting and permitting policy is hereby established. 1. The role of such task force shall include, but not be limited to:
- (a) analyzing the variety of current local processes for siting wind energy production facilities;
- (b) considering establishing a standardized formula for the siting of wind energy generating facilities to use the following factors:
 - (i) proximity to residential areas;
 - (ii) availability of natural resources;
 - (iii) economic impact on the local community;
 - (iv) visual, audible and atmospheric impacts; and
- 18 (v) impact on adjacent communities;

- (e) preparing and submitting a report to the governor and the legislature that provides specific recommendations including, but not limited to, the existing local laws on the siting of wind energy generating facilities; the necessity of a statewide policy on wind energy generating facilities and the possible structure of a statewide policy on wind energy generating facilities.
 - 2. The task force shall issue such report by December 31, 2010.
- S 3. (a) The New York state task force on wind generating facilities siting and permitting policy shall study the need for a uniform state-wide policy regarding the siting and permitting of wind energy generating facilities.
- Such task force shall consist of fifteen members including: the commissioners of agriculture and markets, economic development, environmental conservation and health, the chairperson of the public service commission and the chairperson of the New York state energy research and development authority, or a designee of any such officers. The remaining nine at-large members shall be appointed as follows: three members shall appointed by the governor, one of whom shall be an officer, employee or representative of a utility company, one of whom shall be a member, officer or employee of a statewide association representing and advocatfor the interests of local governments, one of whom shall be a a public interest group; two members representative of appointed by the temporary president of the senate, one of whom shall be a member, officer or employee of a statewide association representing the interest of farmers; one member shall be appointed by the minority of the senate; two members shall be appointed by the speaker of the assembly, one of whom shall be a member, officer or employee of a statewide organization advocating on behalf of the environment; and one member shall be appointed by the minority leader of the assembly.
- S 4. The chairperson of the New York state energy research and development authority shall be the chairperson of the task force.
- S 5. The members of the task force shall serve without actual compensation, except the at-large members shall be allowed their necessary and actual expenses incurred in the performance of their duties under this act.
 - S 6. The task force shall expire December 31, 2010.
- S 7. The New York state energy research and development authority shall provide the task force with such facilities, assistance, and data as will enable the task force to carry out its powers and duties. Additionally, all other departments or agencies of the state or subdivisions thereof shall at the request of the chairperson, provide the task force with such facilities, assistance and data as will enable the task force to carry out its powers and duties.
 - S 8. This act shall take effect immediately.
