20 FACILITY who has no [committee] GUARDIAN AUTHORIZED TO RECEIVE SUCH  
21 FUNDS OR PROPERTY, up to an amount or value not exceeding [five] TWEN-  
22 TY-FIVE thousand dollars; and also from a [committee] GUARDIAN upon his

35 EXCESS OF THE APPROPRIATE ELIGIBILITY LEVEL FOR GOVERNMENT BENEFITS,  
36 INTO A QUALIFYING MEDICAID EXCEPTION TRUST, INCLUDING A SPECIAL NEEDS

1 TRUST, OR SIMILAR DEVICE. THE DIRECTOR OF A DEPARTMENT FACILITY SHALL  
2 ENSURE THAT THE TREATMENT TEAM MEET WITH, AND DETERMINE THE CURRENT AND  
3 FUTURE PERSONAL NEEDS OF, THE PERSON RECEIVING SERVICES. FOR PURPOSES OF  
4 THIS SECTION, A TREATMENT TEAM IS ONE THAT IS RESPONSIBLE FOR THE  
5 FOLLOWING, INCLUDING BUT NOT LIMITED TO, CLINICAL ASSESSMENTS, TREATMENT

28 Moneys belonging to a [patient] PERSON received by the director of  
29 such facility pursuant to law shall be received by him in his official  
30 capacity as such director and such receipt shall be deemed an exercise

56 INCLUDING BENEFITS FOR WHICH THERE IS A STATE SHARE, shall maintain such

1 funds in a fiduciary capacity to the [patient] PERSON; PROVIDED THAT THE  
2 APPLICATION OF SUCH FUNDS TO THE COST OF CARE AND TREATMENT OF SUCH

18 SUM RETROACTIVE PAYMENT OF A FEDERAL OR STATE BENEFIT ON BEHALF OF A  
19 PERSON IN THE DIRECTOR'S CAPACITY AS REPRESENTATIVE PAYEE AND THE  
20 RECEIPT OF SUCH FUNDS WOULD, IN COMBINATION WITH OTHER FUNDS HELD ON  
21 BEHALF OF SUCH PERSON, MAKE THE PERSON INELIGIBLE FOR GOVERNMENT BENE-  
22 FITS, SUCH DIRECTOR SHALL, TO THE EXTENT PERMISSIBLE BY LAW, APPLY THE  
23 FUNDS IN EXCESS OF THE APPROPRIATE ELIGIBILITY LEVEL TO THE PERSON'S  
24 PERSONAL NEEDS OR SEEK TO PLACE SUCH EXCESS FUNDS INTO A QUALIFYING  
25 MEDICAID EXCEPTION TRUST, INCLUDING A SPECIAL NEEDS TRUST, OR SIMILAR  
26 DEVICE; PROVIDED, HOWEVER, THAT, FOR PURPOSES OF THIS SECTION, THE TERM  
27 "LUMP SUM RETROACTIVE PAYMENT" SHALL NOT APPLY TO ANY PAYMENT THAT  
28 EXCEEDS THE EXPECTED MONTHLY RECURRING AMOUNT WHERE SUCH EXCESS IS DUE  
29 TO A DELAY IN PROCESSING AN APPLICATION, CHANGING A REPRESENTATIVE PAYEE  
30 OR SIMILAR ADMINISTRATIVE DELAY. THE DIRECTOR OF A DEPARTMENT FACILITY  
31 SHALL ENSURE THAT THE TREATMENT TEAM MEET WITH, AND DETERMINE THE

Section 1. Determinations concerning the closure of such wards in fiscal year 2010-11 shall be made by the office of mental health based on data related to inpatient census, indicating nonutilization or under utilization of beds, and the efficient operation of facilities. Determinations concerning the conversion of such wards to transitional placement programs in fiscal year 2010-11 shall be made by the office of mental health based upon the identification of patients who have received inpa-

1 tient care and who are clinically determined to be appropriate for a  
2 less restrictive level of mental health treatment. The office of mental  
3 health shall provide notice to the legislature as soon as possible, but  
4 no later than two weeks prior to the anticipated closure or conversion  
5 of wards pursuant to this act.

6 (b) For the purposes of this act, the term "transitional placement  
7 program" shall be defined to include, but not be limited to, a super-  
8 vised residential program that provides outpatient services, treatment  
9 and training, and which supports the transition of patients to more

11 S 2. Section 7 of part R2 of chapter 62 of the laws of 2003, amending  
12 the mental hygiene law and the state finance law relating to the commu-

17 1 of part E of chapter 58 of the laws of 2004, is amended to read as  
18 follows:

19 S 7. This act shall take effect immediately and shall expire March 31,

23 amended by section 1 of part N1 of chapter 63 of the laws of 2003, is  
24 amended to read as follows:

28 ations general fund appropriation reductions, including personal service  
29 savings and other than personal service savings directly attributed to  
30 each child and adult non-geriatric inpatient bed closure. For the  
31 purposes of this section a bed shall be considered to be closed upon the  
32 elimination of funding for such beds in the executive budget. The  
33 appropriation reductions as a result of inpatient bed closures shall be  
34 no less than seventy thousand dollars per bed on a full annual basis, as  
35 annually recommended by the commissioner, subject to the approval of the  
36 director of the budget, in the executive budget request prior to the  
37 fiscal year for which the executive budget is being submitted. [The  
38 commissioner shall report to the governor, the temporary president of  
39 the senate and the speaker of the assembly no later than October first,  
40 two thousand three, and annually thereafter, with an explanation of the  
41 methodologies used to calculate the per bed closure savings.] The meth-  
42 odologies USED TO CALCULATE THE PER BED CLOSURE SAVINGS shall be devel-  
43 oped by the commissioner and the director of the budget. In no event  
44 shall the full annual value of community mental health support and work-  
45 force reinvestment programs attributable to beds closed as a result of  
46 net inpatient census decline exceed the twelve month value of the office  
47 of mental health state operations general fund reductions resulting from  
48 such census decline. Such reinvestment amount shall be made available in  
49 the same proportion by which the office of mental health's state oper-  
50 ations general fund appropriations are reduced each year as a result of  
51 child and adult non-geriatric inpatient bed closures due to census  
52 decline.

2 have been in full force and effect on and after April 1, 2010, provided  
3 that the amendments to section 41.55 of the mental hygiene law made by  
4 sections three and four of this act shall not affect the repeal of such  
5 section and shall be deemed repealed therewith.

14 sioner of mental health. Recovery of such excess income shall be for the  
15 following fiscal periods: for programs in counties located outside of

10 [In order to further the development, for each community in this

20 economical utilization of new and existing state, local governmental,  
21 and private resources to provide services. A uniform ratio of state and  
22 local government responsibility for financing services under a unified  
23 services plan is established by this article to eliminate having the  
24 types of services provided in a community be determined by the local  
25 government's share of the cost of a particular program rather than the  
26 needs of the community.

27 It] EFFECTIVE IMPLEMENTATION OF THIS ARTICLE requires the direction  
28 and administration, by each local governmental unit, of a local compre-  
29 hensive planning process for its geographic area in which all providers  
30 of services shall participate and cooperate in the provision of all  
31 necessary information. It also initiates a planning effort involving the  
32 state, local governments and other providers of service for the purpose  
33 of promoting continuity of care through the development of integrated  
34 systems of care and treatment for the mentally ill, mentally retarded  
35 and developmentally disabled, and for those suffering from the diseases  
36 of alcoholism and substance abuse.

37 S 7. Subdivisions 4 and 14 of section 41.03 of the mental hygiene law

52 effective date thereof to the New York state conference of local mental  
53 hygiene directors for comment thereon; provided, however, if a commis-  
54 sioner finds that the public health, welfare or safety requires the

prompt adoption of rules and regulations, he may dispense with such submission prior to the effective date thereof but, in such case, such commissioner shall submit such rules and regulations to the conference as soon as possible for their review within sixty days after the effective date thereof.

38 (b) In accordance with regulations established by the commissioner or

42 shall:

43 1. establish long range goals and objectives consistent with statewide  
44 goals and objectives developed pursuant to section 5.07 of this chapter

14 nity interests within the local planning process, disputes any element  
15 of the proposed plan for the area which it serves, the objection shall  
16 be presented in writing to the director of the local governmental unit.  
17 If such dispute cannot be resolved to the satisfaction of all parties,

31 the plan. Pending the resolution of any dispute over approval of a  
32 portion of the plan, by final determination of the commissioner having  
33 jurisdiction over the services, new programs proposed shall not be  
34 implemented and programs previously implemented shall continue to be  
35 funded at existing levels. If a portion of the plan is disapproved, the  
36 commissioner of the office having jurisdiction over such portion shall  
37 notify the local governmental unit in writing stating reasons for such  
38 action.

39 S 17. Sections 41.19, 41.21 and 41.23 of the mental hygiene law are  
40 REPEALED.

41 S 18. Subdivision (d) of section 41.36 of the mental hygiene law, as

47 ipated needs for the development of such facilities, consistent with the  
48 needs of the mentally retarded and developmentally disabled within the  
49 jurisdiction of the local governmental unit.

50 S 19. Subdivision (b) of section 41.39 of the mental hygiene law, as

56 matched dollar for dollar by an office of the department of mental

1 hygiene through direct contract with the agency provided that no part of  
2 the expenses of such sheltered workshop are claimed through a contract  
3 with the local governmental unit which is receiving funding for  
4 reimbursement of such expenses from the same office of the department  
5 provided that such sheltered workshop is operating in accordance with an  
6 approved local [or unified] services plan. In no event shall any combi-  
7 nation of income including state aid exceed the total cost of operation  
8 of such sheltered workshop.

9 S 20. Paragraph 2 of subdivision (e), paragraph 6 of subdivision (f),  
10 and subdivisions (g), (h) and (i) of section 41.47 of the mental hygiene  
11 law, as added by chapter 746 of the laws of 1986, are amended to read as  
12 follows:

13 (2) The commissioner shall establish revenue goals for services,  
14 provided, however, the commissioner may approve local [or unified]

16 services which substitute alternative revenue goals for individual  
17 providers of services based upon appropriate documentation and justi-  
18 fication, as required by the commissioner.

19 (6) the extent to which the community support services authorized by  
20 the contract are consistent and integrated with the applicable local [or  
21 unified] services plan of the area to be served; and

22 (g) The commissioner may enter into a direct contract for the  
23 provision of community support services when the commissioner deter-  
24 mines, after the approval of the local [or unified] services plan and  
25 the allocation of state aid therefore, that such direct contract is  
26 necessary to assure that additional community support services are  
27 available to persons who are functionally disabled as a result of mental  
28 illness and are eligible for community support services. Before entering  
29 into a direct contract with a provider located within the geographic  
30 area of a local governmental unit which receives state aid for community  
31 support services pursuant to this section, the commissioner shall notify  
32 the local governmental unit and give the director of the local govern-  
33 mental unit an opportunity to appeal the need for such direct contract.  
34 Such appeals shall be informal in nature and the rules of evidence shall  
35 not apply.

36 (h) In order to qualify for one hundred percent state aid pursuant to  
37 this section in any local fiscal year local governmental units shall  
38 assure that the local tax levy share of expenditures for net operating  
39 costs pursuant to an approved local services plan for services provided  
40 to mentally ill persons pursuant to section 41.18 of this article[, when  
41 applicable,] shall be equal to or greater than the local tax levy share  
42 of such expenditures under an approved local services plan in the last  
43 complete local fiscal year preceding the effective date of this section,  
44 [and when applicable, such local tax levy share of net operating costs  
45 for local governmental units submitting unified services plans pursuant  
46 to section 41.23 of this article, as adjusted to reflect changes in the  
47 rate of state reimbursement for approved expenditures, shall be equal to  
48 or greater than the local tax levy share of the net operating costs for  
49 expenditures under the approved unified services plan in the last  
50 complete local fiscal year preceding the effective date of this  
51 section,] provided, however, any such required maintenance of expendi-  
52 tures under this subdivision for local governmental units may be reduced  
53 to reflect the local governmental share of revenue applicable to  
54 increased payments made by governmental agencies pursuant to title elev-  
55 en of article five of the social services law, which are a result of  
56 increased efficiencies in the collection of such revenue and which

1 represent an increased proportion of the total local [or unified]  
2 services operating costs from the prior local fiscal year. The commis-  
3 sioner shall be authorized to reduce payments made to local governmental  
4 units pursuant to this article, in the following local fiscal year, for  
5 failure to maintain expenditures in accordance with this subdivision.

6 (i) The provisions of subdivision (h) of this section shall not apply  
7 to a local governmental unit in any local fiscal year in which the total  
8 amount of state aid granted to the local governmental unit for net oper-  
9 ating costs under section 41.18 [or section 41.23] of the article is  
10 less than such amount of state aid granted in the local fiscal year  
11 preceding the effective date of this section, or in any local fiscal  
12 year in which the total amount of state aid granted to the local govern-  
13 mental unit under this section, plus the total amount of direct  
14 contracts entered into between the commissioner and providers of  
15 services for the provision of community support services to eligible  
16 residents of such local governmental unit, shall be less than the total  
17 amount of such aid and direct contracts in the first local fiscal year  
18 following the effective date of this section.

19 S 21. Subdivision 4 of section 41.49 of the mental hygiene law, as  
20 added by chapter 499 of the laws of 1988, is amended to read as follows:

21 4. Notwithstanding any other provision of this article, in order to  
22 qualify for one hundred percent state aid pursuant to this section,  
23 local governmental units shall assure that local contributions for  
24 expenditures in any local fiscal year for local [or unified] services  
25 provided to mentally ill persons made pursuant to this article, as  
26 applicable, shall be equal to or greater than the amount expended by  
27 such local governmental unit in the last complete local fiscal year  
28 preceding the effective date of this section. The commissioner shall be  
29 authorized to reduce payments made to local governmental units which  
30 have received grants pursuant to this section, in the following local  
31 fiscal year, for failure to maintain expenditures in accordance with  
32 this subdivision.

34 amended by chapter 223 of the laws of 1992, is amended to read as  
35 follows:

36 (d) No such grant will be awarded unless the community residence is  
37 consistent with the local services plan [or the unified services plan,  
38 as appropriate], pursuant to this article.

39 S 23. This act shall take effect July 1, 2010; provided, however, that  
40 the amendments to sections 9.60 and 31.27 of the mental hygiene law made  
41 by sections one and two of this act shall not affect the repeal of such  
42 sections and shall be deemed repealed therewith; the amendments to  
43 subdivision (d) of section 33.13 of the mental hygiene law made by  
44 section three of this act shall be subject to the expiration and rever-  
45 sion of such subdivision pursuant to section 18 of chapter 408 of the  
46 laws of 1999, as amended when upon such date the provisions of section  
47 four of this act shall take effect; and the amendments to subdivisions  
48 (a) and (b) of section 41.11 of the mental hygiene law made by section  
49 twelve of this act shall not affect the expiration of such subdivisions  
50 and shall be deemed to expire therewith.
