AN ACT to amend the tax law, in relation to enacting the "education investment incentives act"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- 1     Section 1. Short title. This act shall be known and may be cited as  
2     the "education investment incentives act".  
3     S 2. Legislative findings and intent. The legislature hereby finds and  
4     declares that:  
5     a. At a time when the state is considering ways of reducing the tax  
6     burden for New York state residents and educators are seeking an expansion of financial resources, charitable giving for educational purposes  
7     should be stimulated;  
8     b. Permitting public education entities such as school districts and  
9     individual public schools, including charter schools, to accept and  
10    receive voluntary cash contributions will lessen the need for additional  
11    tax revenue;  
12    c. Encouraging voluntary support for education, without prejudice for  
13    or against any state-sanctioned educational enterprise, promotes the  
14    state's interest in providing the highest quality education to all children in the state;  
15

d. Requiring a sharing of resources among school districts will insure a more equitable distribution of financial support;

e. The tax credit provided in this act is merely one of many credits available to New York taxpayers;

f. The intended beneficiaries of the tax credit provided in this act are the students who attend public schools, including charter schools, or who further their educations using tuition scholarships from educational scholarship organizations, or who participate in home-based educational programs; therefore the tax credit does not constitute public aid to non-public sectarian institutions;

g. Permitting school personnel to claim a credit for the purchase of classroom instructional materials and supplies will insure a wider availability of such materials and supplies for all students.
