I N S E N A T E

March 15, 2011

Introduced by Sen. YOUNG -- (at request of the Division of Housing & Community Renewal) -- read twice and ordered printed, and when printed to be committed to the Committee on Housing, Construction and Community Development

AN ACT relating to redistributing 2010 bond volume allocations made pursuant to section 146 of the federal tax reform act of 1986, in relation to allocation of the unified state bond volume ceiling, and in relation to enacting the private activity bond allocation act of 2011; and providing for the expiration of certain provisions thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "private activity bond allocation act of 2011".
3 S 2. Legislative findings and declaration. The legislature hereby
4 finds and declares that the federal tax reform act of 1986 established a
5 statewide bond volume ceiling on the issuance of certain tax exempt
6 private activity bonds and notes and, under certain circumstances,
7 governmental use bonds and notes issued by the state and its public
8 authorities, local governments, agencies which issue on behalf of local
9 governments, and certain other issuers. The federal tax reform act
10 establishes a formula for the allocation of the bond volume ceiling
11 which was subject to temporary modification by gubernatorial executive
12 order until December 31, 1987. That act also permits state legislatures
13 to establish, by statute, an alternative formula for allocating the
14 volume ceiling. Bonds and notes subject to the volume ceiling require an
15 allocation from the state's annual volume ceiling in order to qualify
16 for federal tax exemption.
17 It is hereby declared to be the policy of the state to maximize the
18 public benefit through the issuance of private activity bonds for the
19 purposes of, among other things, allocating a fair share of the bond
20 volume ceiling upon initial allocation and from a bond reserve to local

52 S 4. Local agency set-aside. A set-aside of statewide ceiling for
53 local agencies for any calendar year shall be an amount which bears the
54 same ratio to one-third of the statewide ceiling as the population of
55 the jurisdiction of such local agency bears to the population of the

1 entire state. The commissioner shall administer allocations of such
2 set-aside to local agencies.

3 S 5. State agency set-aside. A set-aside of statewide ceiling for all
4 state agencies for any calendar year shall be one-third of the statewide
5 ceiling. The director shall administer allocations of such set-aside to
6 state agencies and may grant an allocation to any state agency upon
7 receipt of an application in such form as the director shall require.

8 S 6. Statewide bond reserve. One-third of the statewide ceiling is
9 hereby set aside as a statewide bond reserve to be administered by the
10 director. 1. Allocation of the statewide bond reserve among state agen-
11 cies, local agencies and other issuers. The director shall transfer a
12 portion of the statewide bond reserve to the commissioner for allocation
13 to and use by local agencies and other issuers in accordance with the
14 terms of this section. The remainder of the statewide bond reserve may
15 be allocated by the director to state agencies in accordance with the
16 terms of this section.

17 2. Allocation of statewide bond reserve to local agencies or other
18 issuers. (a) Local agencies or other issuers may at any time apply to
19 the commissioner for an allocation from the statewide bond reserve. Such
20 application shall demonstrate:

21 (i) that the requested allocation is required under the code for the
22 interest earned on the bonds to be excluded from the gross income of
23 bondholders for federal income tax purposes;

24 (ii) that the local agency's remaining unused allocation provided
25 pursuant to section four of this act, and other issuer's remaining
26 unused allocation, or any available carryforward will be insufficient
27 for the specific project or projects for which the reserve allocation is
28 requested; and

29 (iii) that, except for those allocations made pursuant to section
30 thirteen of this act to enable carryforward elections, the requested
31 allocation is reasonably expected to be used during the calendar year,
32 and the requested future allocation is reasonably expected to be used in
33 the calendar year to which the future allocation relates.

34 (b) In reviewing and approving or disapproving applications, the
35 commissioner shall exercise discretion to ensure an equitable distrib-
36 ution of allocations from the statewide bond reserve to local agencies
37 and other issuers. Prior to making a determination on such applications,
38 the commissioner shall notify and seek the recommendation of the presi-
39 dent and chief executive officer of the New York state housing finance
40 agency in the case of an application related to the issuance of multi-
41 family housing or mortgage revenue bonds, and in the case of other
42 requests, such state officers, departments, divisions and agencies as
43 the commissioner deems appropriate.

44 (c) Applications for allocations shall be made in such form and
45 contain such information and reports as the commissioner shall require.

46 3. Allocation of statewide bond reserve to state agencies. The direc-
47 tor may make an allocation from the statewide bond reserve to any state
48 agency. Before making any allocation of statewide bond reserve to state
49 agencies the director shall be satisfied:

50 (a) that the allocation is required under the code for the interest
51 earned on the bonds to be excluded from the gross income of bondholders
52 for federal income tax purposes;

53 (b) that the state agency's remaining unused allocation provided
54 pursuant to section five of this act or any available carryforward will
55 be insufficient to accommodate the specific bond issue or issues for
56 which the reserve allocation is requested; and

(c) that, except for those allocations made pursuant to section thirteen of this act to enable carryforward elections, the requested allocation is reasonably expected to be used during the calendar year, and the requested future allocation is reasonably expected to be used in the calendar year to which the future allocation relates.

S 7. Access to employment opportunities. 1. All issuers shall require that any new employment opportunities created in connection with industrial or manufacturing projects financed through the issuance of qualified small issue bonds shall be listed with the New York state department of labor and with the one-stop career center established pursuant to the federal Workforce Investment Act (Pub. L. No. 105-220) serving the locality in which the employment opportunities are being created. Such listing shall be in a manner and form prescribed by the commissioner. All issuers shall further require that for any new employment opportunities created in connection with an industrial or manufacturing project financed through the issuance of qualified small issue bonds by such issuer, industrial or manufacturing firms shall first consider persons eligible to participate in Workforce Investment Act (Pub. L. No. 105-220) programs who shall be referred to the industrial or manufacturing firm by one-stop centers in local workforce investment areas or by the department of labor. Issuers of qualified small issue bonds are required to monitor compliance with the provisions of this section as prescribed by the commissioner.

2. Nothing in this section shall be construed to require users of qualified small issue bonds to violate any existing collective bargaining agreement with respect to the hiring of new employees. Failure on the part of any user of qualified small issue bonds to comply with the requirements of this section shall not affect the allocation of bonding authority to the issuer of the bonds or the validity or tax exempt status of such bonds.

S 8. Overlapping jurisdictions. In a geographic area represented by a county local agency and one or more sub-county local agencies, the allocation granted by section four of this act with respect to such area of overlapping jurisdiction shall be apportioned one-half to the county local agency and one-half to the sub-county local agency or agencies. Where there is a local agency for the benefit of a village within the geographic area of a town for the benefit of which there is a local agency, the allocation of the village local agency shall be based on the population of the geographic area of the village, and the allocation of the town local agency shall be based upon the population of the geographic area of the town outside of the village. Notwithstanding the foregoing, a local agency may surrender all or part of its allocation for such calendar year to another local agency with an overlapping jurisdiction. Such surrender shall be made at such time and in such manner as the commissioner shall prescribe.

S 9. Ineligible local agencies. To the extent that any allocation of the local agency set-aside would be made by this act to a local agency which is ineligible to receive such allocation under the code or under regulations interpreting the state volume ceiling provisions of the code, such allocation shall instead be made to the political subdivision for whose benefit that local agency was created.

S 10. Municipal reallocation. The chief executive officer of any political subdivision or, if such political subdivision has no chief executive officer, the governing board of the political subdivision for the benefit of which a local agency has been established, may withdraw all or any portion of the allocation granted by section four of this act to

1 such local agency. The political subdivision may then reallocate all or
2 any portion of such allocation, as well as all or any portion of the
3 allocation received pursuant to section nine of this act, to itself or
4 any other issuer established for the benefit of that political subdivi-
5 sion or may assign all or any portion of the allocation received pursu-
6 ant to section nine of this act to the local agency created for its
7 benefit. The chief executive officer or governing board of the political
8 subdivision, as the case may be, shall notify the commissioner of any
9 such reallocation.

10 S 11. Future allocations for multi-year housing development projects.
11 1. In addition to other powers granted under this act, the commissioner
12 is authorized to make the following future allocations of statewide
13 ceiling for any multi-year housing development project for which the
14 commissioner also makes an allocation of statewide ceiling for the
15 current year under this act or for which, in the event of expiration of
16 provisions of this act described in section eighteen of this act, an
17 allocation of volume cap for a calendar year subsequent to such expira-
18 tion shall have been made under section 146 of the code: (a) to local
19 agencies from the local agency set-aside (but only with the approval of
20 the chief executive officer of the political subdivision to which the
21 local agency set-aside relates or the governing body of a political
22 subdivision having no chief executive officer) and (b) to other issuers
23 from that portion, if any, of the statewide bond reserve transferred to
24 the commissioner by the director. Any future allocation made by the
25 commissioner shall constitute an allocation of statewide ceiling for the
26 future year specified by the commissioner and shall be deemed to have
27 been made on the first day of the future year so specified.

28 2. In addition to other powers granted under this act, the director is
29 authorized to make future allocations of statewide ceiling from the
30 state agency set-aside or from the statewide bond reserve to state agen-
31 cies for any multi-year housing development project for which the direc-
32 tor also makes an allocation of statewide ceiling from the current year
33 under this act or for which, in the event of expiration of provisions of
34 this act described in section eighteen of this act, an allocation of
35 volume cap for a calendar year subsequent to such expiration shall have
36 been made under section 146 of the code, and is authorized to make
37 transfers of the statewide bond reserve to the commissioner for future
38 allocations to other issuers for multi-year housing development projects
39 for which the commissioner has made an allocation of statewide ceiling
40 for the current year. Any such future allocation or transfer of the
41 statewide bond reserve for future allocation made by the director shall
42 constitute an allocation of statewide ceiling or transfer of the state-
43 wide bond reserve for the future years specified by the director and
44 shall be deemed to have been made on the first day of the future year so
45 specified.

46 3. (a) If an allocation made with respect to a multi-year housing
47 development project is not used by October fifteenth of the year to
48 which the allocation relates, the allocation with respect to the then
49 current year shall be subject to recapture in accordance with the
50 provisions of section twelve of this act, and in the event of such a
51 recapture, unless a carryforward election by another issuer shall have
52 been approved by the commissioner or a carryforward election by a state
53 agency shall have been approved by the director, all future allocations
54 made with respect to such project pursuant to subdivision one or two of
55 this section shall be canceled.

(b) The commissioner and the director shall have the authority to make future allocations from recaptured current year allocations and canceled future allocations to multi-year housing development projects in a manner consistent with the provisions of this act. Any such future allocation shall, unless a carryforward election by another issuer shall have been approved by the commissioner or a carryforward election by a state agency shall have been approved by the director, be canceled if the current year allocation for the project is not used by December 31, 2011.

(c) The commissioner and the director shall establish procedures consistent with the provisions of this act relating to carryforward of future allocations.

4. The aggregate future allocations from either of the two succeeding years shall not exceed six hundred fifty million dollars for each such year.

S 12. Year end allocation recapture. On or before October first of each year, each state agency shall report to the director and each local agency and each other issuer shall report to the commissioner the amount of bonds subject to allocation under this act that will be issued prior to the end of the then current calendar year, and the amount of the issuer's then total allocation that will remain unused. As of October fifteenth of each year, the unused portion of each local agency's and other issuer's then total allocation as reported and the unallocated portion of the set-aside for state agencies shall be recaptured and added to the statewide bond reserve and shall no longer be available to covered bond issuers except as otherwise provided herein. From October fifteenth through the end of the year, each local agency or other issuer having an allocation shall immediately report to the commissioner and each state agency having an allocation shall immediately report to the director any changes to the status of its allocation or the status of projects for which allocations have been made which should affect the timing or likelihood of the issuance of covered bonds therefor. If the commissioner determines that a local agency or other issuer has overestimated the amount of covered bonds subject to allocation that will be issued prior to the end of the calendar year, the commissioner may recapture the amount of the allocation to such local agency or other issuer represented by such overestimation by notice to the local agency or other issuer, and add such allocation to the statewide bond reserve. The director may likewise make such determination and recapture with respect to state agency allocations.

S 13. Allocation carryforward. 1. No local agency or other issuer shall make a carryforward election utilizing any unused allocation (pursuant to section 146(f) of the code) without the prior approval of the commissioner. Likewise no state agency shall make or file such an election, or elect to issue or carryforward mortgage credit certificates, without the prior approval of the director.

2. On or before November fifteenth of each year, each state agency seeking unused statewide ceiling for use in future years shall make a request for an allocation for a carryforward to the director, whose approval shall be required before a carryforward election is filed by or on behalf of any state agency. A later request may also be considered by the director, who may file a carryforward election for any state agency with the consent of such agency.

3. On or before November fifteenth of each year, each local agency or other issuer seeking unused statewide ceiling for use in future years shall make a request for an allocation for a carryforward to the commis-

1 sioner, whose approval shall be required before a carryforward election
2 is filed by or on behalf of any local or other agency. A later request
3 may also be considered by the commissioner.

4 S 14. New York state bond allocation policy advisory panel. 1. There
5 is hereby created a policy advisory panel and process to provide policy
6 advice regarding the priorities for distribution of the statewide ceil-
7 ing.

8 2. The panel shall consist of five members, one designee being
9 appointed by each of the following: the governor, the temporary presi-
10 dent of the senate, the speaker of the assembly, the minority leader of
11 the senate and the minority leader of the assembly. The designee of the
12 governor shall chair the panel. The panel shall monitor the allocation
13 process through the year, and in that regard, the division of the budget
14 and the department of economic development shall assist and cooperate
15 with the panel as provided in this section. The advisory process shall
16 operate through the issuance of advisory opinions by members of the
17 panel as provided in subdivisions six and seven of this section. A meet-
18 ing may be held at the call of the chair with the unanimous consent of
19 the members.

20 3. (a) Upon receipt of a request for allocation or a request for
21 approval of a carryforward election from the statewide reserve from a
22 local agency or other issuer, the commissioner shall, within five work-
23 ing days, notify the panel of such request and provide the panel with
24 copies of all application materials submitted by the applicant.

25 (b) Upon receipt of a request for allocation or a request for approval
26 of carryforward election from the statewide reserve from a state agency,
27 the director shall, within five working days, notify the panel of such
28 request and provide the panel with copies of all application materials
29 submitted by the applicant.

30 4. (a) Following receipt of a request for allocation from a local
31 agency or other issuer, the commissioner shall notify the panel of a
32 decision to approve or exclude from further consideration such request,
33 and the commissioner shall state the reasons. Such notification shall be
34 made with or after the transmittal of the information specified in
35 subdivision three of this section and at least five working days before
36 formal notification is made to the applicant.

37 (b) Following receipt of a request for allocation from a state agency,
38 the director shall notify the panel of a decision to approve or exclude
39 from further consideration such request, and shall state the reasons.
40 Such notification shall be made with or after the transmission of the
41 information specified in subdivision three of this section and at least
42 five working days before formal notification is made to the state agen-
43 cy.

44 5. The requirements of subdivisions three and four of this section
45 shall not apply to adjustments to allocations due to bond sizing chang-
46 es.

47 6. In the event that any decision to approve or to exclude from
48 further consideration a request for allocation is made within ten work-
49 ing days of the end of the calendar year and in the case of all requests
50 for consent to a carryforward election, the commissioner or director, as
51 is appropriate, shall provide the panel with the longest possible
52 advance notification of the action, consistent with the requirements of
53 the code, and shall, wherever possible, solicit the opinions of the
54 members of the panel before formally notifying any applicant of the
55 action. Such notification may be made by means of telephone communi-

1 cation to the members or by written notice delivered to the Albany
2 office of the appointing authority of the respective members.

3 7. Upon notification by the director or the commissioner, any member
4 of the panel may, within five working days, notify the commissioner or
5 the director of any policy objection concerning the expected action. If
6 three or more members of the panel shall submit policy objections in
7 writing to the intended action, the commissioner or the director shall
8 respond in writing to the objection prior to taking the intended action
9 unless exigent circumstances make it necessary to respond after the
10 action has been taken.

11 8. On or before the first day of March, in any year, the director
12 shall report to the members of the New York state bond allocation policy
13 advisory panel on the actual utilization of volume cap for the issuance
14 of bonds during the prior calendar year and the amount of such cap allo-
15 cated for carryforwards for future bonds issuance. The report shall
16 include, for each local agency or other issuer and each state agency the
17 initial allocation, the amount of bonds issued subject to the allo-
18 cation, the amount of the issuer's allocation that remained unused, the
19 allocation of the statewide bond reserve, carryforward allocations and
20 recapture of allocations. Further, the report shall include projections
21 regarding private activity bond issuance for state and local issuers for
22 the calendar year, as well as any recommendations for legislative
23 action.

24 S 15. Severability. If any clause, sentence, paragraph, section, or
25 part of this act shall be adjudged by any court of competent jurisdic-
26 tion to be invalid, such judgment shall not affect, impair, or invali-
27 date the remainder thereof, but shall be confined in its operation to
28 the clause, sentence, paragraph, section, or part thereof directly
29 involved in the controversy in which such judgment shall have been
30 rendered.

31 S 16. Notwithstanding any provisions of this act to the contrary (1)
32 provided that a local agency or other issuer certifies to the commis-
33 sioner on or before October 1, 2011 that it has issued private activity
34 bonds described in this section and the amount thereof which used state-
35 wide ceiling, a commitment or allocation of statewide ceiling to a local
36 agency or other issuer made to or so used by such local agency or other
37 issuer pursuant to the federal tax reform act of 1986 on or after Janu-
38 ary 1, 2011 and prior to the effective date of this act, in an amount
39 which exceeds the local agency set-aside established by section four of
40 this act, shall be first chargeable to the statewide bond reserve estab-
41 lished pursuant to section six of this act, and (2) a commitment or
42 allocation of statewide ceiling to a state agency made to or used by
43 such agency pursuant to the internal revenue code, as amended, on or
44 after January 1, 2011 and prior to the effective date of this act, shall
45 be first chargeable to the state agency set-aside established pursuant
46 to section five of this act, and, thereafter, to the statewide bond
47 reserve established by section six of this act.

48 S 17. Nothing contained in this act shall be deemed to supersede,
49 alter or impair any allocation used by or committed by the director or
50 commissioner to a state or local agency or other issuer pursuant to the
51 federal tax reform act of 1986 and prior to the effective date of this
52 act.

53 S 18. This act shall take effect immediately; provided, however, that
54 sections three through fourteen of this act shall expire January 1,
55 2012; except that the provisions of subdivision eight of section four-
56 teen of this act shall expire March 1, 2012 and the provisions of subdi-

1 visions two and three of section thirteen of this act shall expire
2 February 15, 2012, and, provided further that section eleven of this act
3 shall continue in full force and effect and shall be subject to the
4 applicable provisions of this act notwithstanding the expirations of law
5 set forth in this section.
