I N S E N A T E

April 6, 2011

Introduced by Sen. MARTINS -- read twice and ordered printed, and when printed to be committed to the Committee on Local Government

AN ACT to amend the general municipal law law, in relation to establishing the real property tax relief and local government mandate reform act

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and declarations. The legislature
2 hereby finds and determines that real property taxes in New York state
3 are too high, and that the burden that they place upon our citizens,
4 homeowners and businesses, is making it difficult for New York state to
5 thrive, prosper and succeed.
6 The legislature further finds and determines that the only way to
7 realistically reduce the real property tax burden upon our citizens,
8 homeowners and businesses, is to place a comprehensive approach in state
9 law which controls costs and spending for local governments, and
10 provides significant mandate relief with respect to their fiscal obli-
11 gations.
12 The legislature also finds and determines that the real property tax
13 relief and local government mandate reform must be achieved by a compre-
14 hensive approach to reduce real property taxes across the state,
15 controlling government costs, and the provision of significant mandate
16 relief to local governments.
17 S 2. Subdivision 1 of section 101 of the general municipal law, as
18 amended by section 1 of part MM of chapter 57 of the laws of 2008, is
19 amended and a new subdivision 1-a is added to read as follows:
20 1. Except as otherwise provided in section two hundred twenty-two of
21 the labor law, OR SUBDIVISION ONE-A OF THIS SECTION, every officer,
22 board or agency of a political subdivision or of any district therein,
23 charged with the duty of preparing specifications or awarding or enter-
