Section 1. Legislative findings. The legislature finds and declares that the public health, safety and welfare of the residents of the state New York traveling to, from and within the city of New York is a matter of substantial state concern, including access to safe and reli-5 able mass transportation such as taxicabs. The majority of residents and 6 non-residents of the city of New York do not currently have sufficient 7 access to legal, licensed taxicabs available for street hails city of New York. Additionally, the legislature finds and declares that 8 9 it is a matter of public health, safety and welfare to ensure adequate and reliable transportation accessible to individuals with disabilities 10 11 in the city of New York. Currently, approximately 1.8 percent of the approximately thirteen thousand yellow taxicabs is accessible to 12 13 individuals with disabilities, and an even smaller percentage of 14 city's approximately twenty-three thousand livery vehicles is accessible. This supply of accessible vehicles is insufficient to provide 15 adequate and reliable transportation for the residents of and the commu-16 and visitors to New York city who have disabilities and therefore 17

This presumption shall prevail until the contrary is proven, and the burden of proving the contrary shall be on the person liable for tax.
- S 16. Section 1283 of the tax law, as amended by section 5 of part V of chapter 57 of the laws of 2010, is amended to read as follows:
- S 1283. Liability for tax; special provisions. Notwithstanding any provision of law to the contrary: (a) The taxicab owner OR HAIL BASE, AS THE CASE MAY BE, shall be liable for the tax imposed by this article.

The passing along of such economic incidence may not be construed by any court or administrative body as imposing the tax on any person other than the taxicab owner OR THE HAIL BASE. The city or the TLC must adjust trip fares to include therein the pass-through of the economic incidence of the tax imposed by this article, as the rate of such tax may from time to time change, and must timely require that any taximeter in a taxicab OR HAIL VEHICLE used to provide trips that originate in the city be adjusted to include the pass-through.
- (2) A taxicab owner OR A HAIL BASE OR HAIL VEHICLE OWNER in such city must timely adjust the taximeter in any of such person's taxicabs OR HAIL VEHICLES so that it reflects such pass-through as such pass-through amount may from time to time change.

(3) Neither the failure of such city or the TLC to adjust fares nor the failure of a taxicab owner, HAIL BASE, HAIL VEHICLE OWNER, or other person to adjust a taximeter will relieve any person liable for the tax imposed by this article from the obligation to pay such tax timely, at the correct rate.
