Notwithstanding the provisions of this section, the director of the budget may reduce the salary of any such position, which is or becomes vacant.

11. The increases in salary payable pursuant to this section shall apply on a prorated basis to officers and employees, otherwise eligible to receive an increase in salary pursuant to this section, who are paid on an hourly or per diem basis, employees serving on a part-time or seasonal basis and employees paid on any basis other than at an annual salaried rate; except that the provisions of subdivisions four, seven, eight, and nine of this section shall not apply to employees serving on an hourly, per diem, or seasonal basis, except as determined by the director of the budget.

In order to provide for the annual salaried officers and employees to whom this section applies who are not allocated to salary grades, performance advancements and payments in proportion to those provided to persons to whom this section applies who are allocated to salary grades, the director of the budget is authorized to add appropriate adjustments to the compensation which such officers and employees are otherwise entitled to receive. The director of the budget shall issue certificates which shall contain schedules of positions and the salaries thereof for which adjustments are made pursuant to the provisions of this subdivision, and a copy of each such certificate shall be filed with the state comptroller, the department of civil service, the chairman of the senate finance committee and the chairman of the assembly ways and means committee.

14. Notwithstanding any of the foregoing provisions of this section, any increase in compensation may be withheld in whole or in part from any such unit members to whom the provisions of this section apply when, in the opinion of the director of the budget and the director of employee relations, such increase is not warranted or is not appropriate for any reason.
