AN ACT to authorize the lease of lands located at the state university of New York at Purchase

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1     Section 1. Legislative findings. The legislature finds that the  
2     provision of a senior learning community upon the grounds of the state  
3     university of New York at Purchase is appropriate to further the objec-  
4     tives and purposes of the state university of New York. The legislature  
5     further finds that granting the trustees of the state university of New  
6     York the authority and power to lease and otherwise contract to make  
7     available grounds and facilities of the campus of the state university  
8     of New York at Purchase will ensure the availability of such senior  
9     learning community, and also promote the effective use of such grounds  
10    and facilities.

11    S 2. The trustees of the state university of New York are hereby  
12    authorized to lease without any public bidding a portion of the lands of  
13    the state university of New York at Purchase generally described in this  
14    act to the Purchase college advancement corporation, a not-for-profit  
15    corporation, upon such terms and conditions as the trustees deem advis-  
16    able, for an initial term not to exceed forty years or for such time as  
17    may be necessary to complete repayment of any debt related to the  
18    projects described in this act, whichever is shorter. In the event that  
19    the real property which is the subject of such lease or contract shall  
20    cease to be used for the purposes described in this act, said lease  
21    shall immediately terminate and the real property and any improvements  
22    thereon shall revert to the state university of New York. Any contract  
23    or lease entered into pursuant to this act shall provide that the real

(b) If the Purchase college advancement corporation does not require a project labor agreement, then any contractor, subcontractor, lease, grant, bond, covenant or other agreements for a project shall be awarded pursuant to section 135 of the state finance law.
