I N S E N A T E

February 4, 2011

Introduced by Sen. CARLUCCI -- read twice and ordered printed, and when printed to be committed to the Committee on Consumer Protection

AN ACT to amend the general business law, in relation to certain hotels, motels and motor courts with balconies

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and intent. The legislature finds and
2 declares that public lodging accommodations with rental units that
3 include balconies with railings containing balusters spaced more than
4 four inches apart pose a threat to the safety of young children. The
5 legislature further finds that parents of young children occupying
6 rental units with such balconies should be made aware of the potential
7 danger such balconies may pose to young children.

8 Therefore, it is the intent of the legislature to require hotel, motel
9 and motor court operators with balconies that do not meet the current
10 requirements set forth in the New York state uniform fire prevention and
11 building code or building code of the city of New York, if applicable,
12 to post a notice in informing lodgers of such condition. This legis-
13 lation shall not be construed to mean that hotel, motel or motor court
14 buildings lawfully grandfathered under the laws creating the New York
15 state uniform fire prevention and building code and building code of the
16 city of New York are in any way out of compliance with such codes.

17 S 2. This act shall be known and may be cited as "Sammy's law".

18 S 3. The general business law is amended by adding a new section 204-b
19 to read as follows:
