THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Subdivision 1 of section 103 of the general municipal law,
2 as amended by section 1 of part FF of chapter 56 of the laws of 2010, is
3 amended to read as follows:
4 1. Except as otherwise expressly provided by an act of the legislature
5 or by a local law adopted prior to September first, nineteen hundred
6 fifty-three, all contracts for public work involving an expenditure of
7 more than thirty-five thousand dollars and all purchase contracts
8 involving an expenditure of more than twenty thousand dollars, shall be
9 awarded by the appropriate officer, board or agency of a political
10 subdivision or of any district therein including but not limited to a
11 soil conservation district, to the lowest responsible bidder furnishing
12 the required security after advertisement for sealed bids in the manner
13 provided by this section. In any case where a responsible bidder's gross
14 price is reducible by an allowance for the value of used machinery,
15 equipment, apparatus or tools to be traded in by a political subdivi-
16 sion, the gross price shall be reduced by the amount of such allowance,
17 for the purpose of determining the low bid. In cases where two or more
18 responsible bidders furnishing the required security submit identical
19 bids as to price, such officer, board or agency may award the contract
20 to any of such bidders. Such officer, board or agency may, in his or her
21 or its discretion, reject all bids and readvertise for new bids in the
22 manner provided by this section. In determining whether a purchase is an

1 expenditure within the discretionary threshold amounts established by
2 this subdivision, the officer, board or agency of a political subdivi-
3 sion or of any district therein shall consider the reasonably expected
4 aggregate amount of all purchases of the same commodities, services or
5 technology to be made within the twelve-month period commencing on the
6 date of purchase. Purchases of commodities, services or technology
7 shall not be artificially divided for the purpose of satisfying the
8 discretionary buying thresholds established by this subdivision. A
9 change to or a renewal of a discretionary purchase shall not be permit-
10 ted if the change or renewal would bring the reasonably expected aggre-
11 gate amount of all purchases of the same commodities, services or tech-
12 nology from the same provider within the twelve-month period commencing
13 on the date of the first purchase to an amount greater than the discre-
14 tionary buying threshold amount. For purposes of this section, "sealed
15 bids", as that term applies to purchase contracts, shall include bids
16 submitted in an electronic format including submission of the statement
17 of non-collusion required by section one hundred three-d of this arti-
18 cle, provided that the governing board of the political subdivision or
19 district, by resolution, has authorized the receipt of bids in such
20 format. Submission in electronic format may, [for technology contracts
21 only,] be required as the sole method for the submission of bids. Bids
22 submitted in an electronic format shall be transmitted by bidders to the
23 receiving device designated by the political subdivision or district.
24 Any method used to receive electronic bids shall comply with article
25 three of the state technology law, and any rules and regulations promul-
26 gated and guidelines developed thereunder and, at a minimum, must (a)
27 document the time and date of receipt of each bid received electron-
28 ically; (b) authenticate the identity of the sender; (c) ensure the
29 security of the information transmitted; and (d) ensure the confiden-
30 tiality of the bid until the time and date established for the opening
31 of bids. The timely submission of an electronic bid in compliance with
32 instructions provided for such submission in the advertisement for bids
33 and/or the specifications shall be the responsibility solely of each
34 bidder or prospective bidder. No political subdivision or district ther-
35 ein shall incur any liability from delays of or interruptions in the
36 receiving device designated for the submission and receipt of electronic
37 bids.

38 S 2. Subdivision 3 of section 103 of the general municipal law, as
39 amended by chapter 343 of the laws of 2007, is amended to read as
40 follows:

41 3. Notwithstanding the provisions of subdivision one of this section,
42 any officer, board or agency of a political subdivision or of any
43 district therein authorized to make purchases of materials, equipment or
44 supplies, or to contract for services, may make such purchases, or may
45 contract for services, [other than services subject to article eight or
46 nine of the labor law,] when available, through the county in which the
47 political subdivision or district is located or through any county with-
48 in the state subject to the rules established pursuant to subdivision
49 two of section four hundred eight-a of the county law; provided that the

51 cy acts shall accept sole responsibility for any payment due the vendor
52 or contractor. All purchases and all contracts for such services shall
53 be subject to audit and inspection by the political subdivision or
54 district for which made. Prior to making such purchases or contracts the
55 officer, board or agency shall consider whether such contracts will
56 result in cost savings after all factors, including charges for service,

1 material, and delivery, have been considered. No officer, board or agen-
2 cy of a political subdivision or of any district therein shall make any
3 purchase or contract for any such services through the county in which
4 the political subdivision or district is located or through any county
5 within the state when bids have been received for such purchase or such

7 made or the contract for such services may be entered into upon the same
8 terms, conditions and specifications at a lower price through the coun-
9 ty.
