1 code, such plans and/or scope of work has been found acceptable to the
2 department of buildings and that the work set forth in such plans and/or
3 scope of work is performed in accordance with all applicable building
4 code requirements; and

5 (vi) the commissioner of buildings of such city has determined that
6 notwithstanding the provisions of paragraph (i) of this subdivision, a
7 certificate of occupancy of any type may not be issued for such building
8 under existing provisions of law by reason of the failure of such build-
9 ing to comply with certain provisions of the zoning resolution of the
10 city of New York, including those governing the maximum allowable floor
11 area for residential uses and the provisions of required parking, such
12 commissioner is hereby authorized, notwithstanding the provisions of
13 paragraph (vi) of this subdivision, to issue a temporary certificate of
14 occupancy for such building where plans and/or a scope of work was found
15 acceptable by the department of buildings by January 28, 2010, and where
16 items identified by the commissioner of buildings as necessary for issu-

18 been completed in accordance with such plans and/or scope of work;
19 provided that the chairperson of the city planning commission of such
20 city determines that: (a) the use and occupancy of such building is not
21 incompatible with uses and occupancies of buildings located within the
22 immediate vicinity of such building; (b) the total built floor area of
23 such building does not exceed the total maximum floor area permitted for

29 within three years of the effective date of this act.

30 2. In the event that the commissioner of buildings of the city of New

36 certificate of occupancy.

37 3. Upon issuance and during the period of effectiveness of any certifi-
38 cate of occupancy issued pursuant to the provisions of this act, such
39 building shall be deemed a legal non-complying building for purposes of
40 compliance with the provisions of the zoning resolution of such city.

41 S 2. This act shall take effect immediately.
