- AN ACT to amend the mental hygiene law, in relation to authorizing nurse practitioners to admit a patient to an inpatient mental health unit on a voluntary or involuntary basis

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Section 1.03 of the mental hygiene law is amended by adding 2 a new subdivision 9-a to read as follows:

3 9-A. "NURSE PRACTITIONER" MEANS A CERTIFIED NURSE PRACTITIONER ACTING 4 WITHIN HIS OR HER LAWFUL SCOPE OF PRACTICE PURSUANT TO SECTION 5 SIXTY-NINE HUNDRED TWO OF THE EDUCATION LAW.

6 S 2. The section heading, the opening paragraph of subdivision (a) and 7 subdivision (b) of section 9.05 of the mental hygiene law, such section 8 as renumbered by chapter 978 of the laws of 1977, are amended to read as 9 follows:

10 Examining physicians and NURSE PRACTITIONERS AND medical certificates.

11 A person is disqualified from acting as an examining physician OR 12 NURSE PRACTITIONER in the following cases:

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets
[] is old law to be omitted.

LBD03971-08-2

1 (b) A certificate, as required by this article, must show that the 2 person is mentally ill and shall be based on an examination of the 3 person alleged to be mentally ill made within ten days prior to the date 4 of admission. The date of the certificate shall be the date of such 5 examination. All certificates shall contain the facts and circumstances 6 upon which the judgment of the physicians OR NURSE PRACTITIONERS is 7 based and shall show that the condition of the person examined is such 8 that he OR SHE needs involuntary care and treatment in a hospital and such other information as the commissioner may by regulation require. 9

10 S 3. Subdivisions (a), (d), (e) and (i) of section 9.27 of the mental 11 hygiene law, subdivision (i) as amended by chapter 847 of the laws of 12 1987 and such section as renumbered by chapter 978 of the laws of 1977, 13 are amended to read as follows:

14 (a) The director of a hospital may receive and retain therein as a 15 patient any person alleged to be mentally ill and in need of involuntary care and treatment upon [the] TWO certificates [of two examining physi-16 17 COMPLETED BY AN EXAMINING PHYSICIAN OR A NURSE cians], EACH 18 PRACTITIONER, accompanied by an application for the admission of such person. The examination may be conducted jointly but each examining physician OR NURSE PRACTITIONER shall execute a separate certificate. 19 20

21 (d) Before an examining physician OR NURSE PRACTITIONER completes the 22 certificate of examination of a person for involuntary care and treatment, he OR SHE shall consider alternative forms of care and treatment 23 24 that might be adequate to provide for the person's needs without requir-25 involuntary hospitalization. If the examining physician OR NURSE inq 26 PRACTITIONER knows that the person he OR SHE is examining for involuntary care and treatment has been under prior treatment, he OR SHE shall, 27 insofar as possible, consult with the physician or psychologist furnish-28 29 such prior treatment prior to completing his OR HER certificate. inq 30 Nothing in this section shall prohibit or invalidate any involuntary admission made in accordance with the provisions of this chapter. 31

32 The director of the hospital where such person is brought shall (e) 33 cause such person to be examined forthwith by a physician, OTHER THAN AN EXAMINING PHYSICIAN WHOSE CERTIFICATE ACCOMPANIED THE APPLICATION, who 34 35 shall be a member of the psychiatric staff of such hospital [other than 36 the original examining physicians whose certificate or certificates 37 accompanied the application and, if]. IF such person is found to be in 38 need of involuntary care and treatment, he OR SHE may be admitted there-39 to as a patient as herein provided.

40 (i) After an application for the admission of a person has been completed [and both physicians have examined such person and separately 41 certified either], AND TWO SEPARATE CERTIFICATES, EACH COMPLETED BY AN 42 43 EXAMINING PHYSICIAN OR A NURSE PRACTITIONER, SHOW that he or she is mentally ill and in need of involuntary care and treatment in a hospi-44 45 tal, ANY EXAMINING physician OR NURSE PRACTITIONER MAKING SUCH A CERTIF-ICATION is authorized to request peace officers, when acting pursuant to 46 47 their special duties, or police officers, who are members of an author-48 ized police department or force or of a sheriff's department, to take 49 into custody and transport such person to a hospital for determination 50 by the director whether such person qualifies for admission pursuant to this section. Upon the request of [either] ANY EXAMINING physician OR 51 NURSE PRACTITIONER MAKING SUCH A CERTIFICATION, an ambulance service, as 52 defined by subdivision two of section three thousand one of the public 53 54 health law, is authorized to transport such person to a hospital for 55 determination by the director whether such person qualifies for admis-56 sion pursuant to this section.

1 S 4. Subdivisions (a), (b) and (c) of section 9.37 of the mental 2 hygiene law, subdivision (a) as amended by chapter 723 of the laws of 3 1989, subdivision (c) as amended by chapter 230 of the laws of 2004 and 4 such section as renumbered by chapter 978 of the laws of 1977, are 5 amended to read as follows:

6 (a) The director of a hospital, upon application by a director of 7 community services or an examining physician duly designated by him or 8 her, may receive and care for in such hospital as a patient any person 9 who, in the opinion of the director of community services or the direc-10 tor's designee, has a mental illness for which immediate inpatient care 11 and treatment in a hospital is appropriate and which is likely to result 12 in serious harm to himself or herself or others.

The need for immediate hospitalization shall be confirmed by a staff 13 14 physician OR NURSE PRACTITIONER of the hospital prior to admission. 15 Within seventy-two hours, excluding Sunday and holidays, after such admission, if such patient is to be retained for care and treatment 16 17 beyond such time and he or she does not agree to remain in such hospital as a voluntary patient, the certificate of another examining physician 18 19 OR NURSE PRACTITIONER who is a member of the psychiatric staff of the hospital that the patient is in need of involuntary care and treatment shall be filed with the hospital. From the time of his or her admission 20 21 22 under this section the retention of such patient for care and treatment shall be subject to the provisions for notice, hearing, review, and 23 judicial approval of continued retention or transfer and continued 24 25 retention provided by this article for the admission and retention of 26 involuntary patients, provided that, for the purposes of such provisions, the date of admission of the patient shall be deemed to be 27 the date when the patient was first received in the hospital under this 28 29 section.

30 (b) The application for admission of a patient pursuant to this 31 section shall be based upon a personal examination by a director of 32 community services or his OR HER designee. It shall be in writing and 33 shall be filed with the director of such hospital at the time of the 34 patient's reception, together with a statement in a form prescribed by 35 the commissioner giving such information as he OR SHE may deem appropri-36 ate.

37 (c) Notwithstanding the provisions of subdivision (b) of this section, in counties with a population of less than two hundred thousand, a 38 director of community services who is a licensed psychologist pursuant 39 40 to article one hundred fifty-three of the education law or a licensed clinical social worker pursuant to article one hundred fifty-four of the 41 education law but who is not a physician may apply for the admission of 42 43 a patient pursuant to this section without a medical examination by а 44 designated physician, if a hospital approved by the commissioner pursu-45 ant to section 9.39 of this article is not located within thirty miles the patient, and the director of community services has made a 46 of 47 reasonable effort to locate a designated examining physician but such a 48 designee is not immediately available and the director of community services, after personal observation of the person, reasonably believes that he OR SHE may have a mental illness which is likely to result in 49 50 serious harm to himself OR HERSELF or others and inpatient care and 51 treatment of such person in a hospital may be appropriate. In the event 52 of an application pursuant to this subdivision, a STAFF physician OR 53 54 NURSE PRACTITIONER of the receiving hospital shall examine the patient 55 and shall not admit the patient unless he or she determines that the patient has a mental illness for which immediate inpatient care and 56

treatment in a hospital is appropriate and which is likely to result in 1 2 serious harm to himself OR HERSELF or others. If the patient is admit-3 ted, the need for hospitalization shall be confirmed by another staff physician OR NURSE PRACTITIONER within twenty-four hours. An application 4 pursuant to this subdivision shall be in writing and shall be filed with 5 6 director of such hospital at the time of the patient's reception, the 7 together with a statement in a form prescribed by the commissioner 8 giving such information as he OR SHE may deem appropriate, including a 9 statement of the efforts made by the director of community services to 10 locate a designated examining physician prior to making an application 11 pursuant to this subdivision.

12 S 5. Subdivision (a) of section 9.37 of the mental hygiene law, such 13 section as renumbered by chapter 978 of the laws of 1977, is amended to 14 read as follows:

15 (a) The director of a hospital, upon application by a director of 16 community services or an examining physician duly designated by him OR HER, may receive and care for in such hospital as a patient any person 17 18 in the opinion of the director of community services or his OR HER who, 19 designee, has a mental illness for which immediate inpatient care and 20 treatment in a hospital is appropriate and which is likely to result in 21 serious harm to himself OR HERSELF or TO others[; "likelihood of serious 22 harm" shall mean:

1. substantial risk of physical harm to himself as manifested by threats of or attempts at suicide or serious bodily harm or other conduct demonstrating that he is dangerous to himself, or

26 2. a substantial risk of physical harm to other persons as manifested 27 by homicidal or other violent behavior by which others are placed in 28 reasonable fear or serious physical harm].

29 The need for immediate hospitalization shall be confirmed by a staff physician OR NURSE PRACTITIONER of the hospital prior to admission. 30 Within seventy-two hours, excluding Sunday and holidays, after such 31 32 admission, if such patient is to be retained for care and treatment 33 beyond such time and he OR SHE does not agree to remain in such hospital as a voluntary patient, the certificate of another examining physician OR NURSE PRACTITIONER who is a member of the psychiatric staff of the 34 35 hospital that the patient is in need of involuntary care and treatment 36 shall be filed with the hospital. From the time of his OR HER admission 37 38 under this section the retention of such patient for care and treatment 39 shall be subject to the provisions for notice, hearing, review, and 40 judicial approval of continued retention or transfer and continued retention provided by this article for the admission and retention of 41 involuntary patients, provided that, for the 42 purposes of such provisions, the date of admission of the patient shall be deemed to be 43 44 the date when the patient was first received in the hospital under this 45 section.

46 S 6. Subdivisions (b) and (c) of section 9.40 of the mental hygiene 47 law, as added by chapter 723 of the laws of 1989, are amended to read as 48 follows:

49 (b) The director shall cause examination of such persons to be initi-50 ated by a staff physician OR NURSE PRACTITIONER of the program as soon 51 as practicable [and in any event within], BUT NO LONGER THAN six hours after the person is received into the program's emergency room. Such 52 person may be retained for observation, care and treatment, and further 53 54 examination for up to twenty-four hours if, at the conclusion of such 55 examination, such physician OR NURSE PRACTITIONER determines that such 56 person may have a mental illness for which immediate observation, care

1 and treatment in a comprehensive psychiatric emergency program is appro-2 priate, and which is likely to result in serious harm to the person or 3 others.

4 (c) No person shall be involuntarily retained in accordance with this 5 section for more than twenty-four hours, unless (i) within that time the 6 determination of the INITIAL examining staff physician OR NURSE PRACTI-7 TIONER has been confirmed after examination by another physician OR 8 NURSE PRACTITIONER who is a member of the psychiatric staff of the program and (ii) the person is admitted to an extended observation bed, 9 10 as such term is defined in section 31.27 of this chapter. At the time of 11 admission to an extended observation bed, such person shall be served with written notice of his OR HER status and rights as a patient under 12 this section. Such notice shall contain the patient's name. The notice 13 14 shall be provided to the same persons and in the manner as if provided 15 pursuant to subdivision (a) of section 9.39 of this article. Written 16 requests for court hearings on the question of need for immediate obser-17 vation, care and treatment shall be made, and court hearings shall be 18 scheduled and held, in the manner provided pursuant to subdivision (a) 19 of section 9.39 of this article, provided however, if a person is removed or admitted to a hospital pursuant to subdivision (e) or (f) 20 of 21 this section the director of such hospital shall be substituted for the 22 director of the comprehensive psychiatric emergency program in all legal 23 proceedings regarding the continued retention of the person.

24 S 7. Section 9.55 of the mental hygiene law, as amended by chapter 598 25 of the laws of 1994, is amended to read as follows:

26 S 9.55 Emergency admissions for immediate observation, care and treat-27 ment; powers of qualified psychiatrists OR NURSE PRACTITIONERS.

28 A qualified psychiatrist OR NURSE PRACTITIONER shall have the power to 29 direct the removal of any person[,] whose treatment for a mental illness or she is either supervising or providing in a facility licensed or 30 he operated by the office of mental health, which does not have an inpa-31 32 tient psychiatric service, to a hospital approved by the commissioner pursuant to subdivision (a) of section 9.39 of this article 33 or to a comprehensive psychiatric emergency program, if he or she determines upon examination of such person that such person appears to have a 34 35 mental illness for which immediate observation, care and treatment in a 36 37 hospital is appropriate and which is likely to result in serious harm [to himself or herself or others] AS DEFINED IN SECTION 9.01 OF THIS ARTICLE. Upon the request of such qualified psychiatrist OR NURSE PRAC-38 39 40 TITIONER, peace officers, when acting pursuant to their special duties, or police officers[,] who are members of an authorized police department 41 or force or of a sheriff's department shall take into custody and trans-42 43 any such person. Upon the request of a qualified psychiatrist OR port 44 NURSE PRACTITIONER an ambulance service, as defined by subdivision two 45 of section three thousand one of the public health law, is authorized to transport any such person. Such person may then be admitted to a hospi-46 47 tal in accordance with the provisions of section 9.39 of this article or 48 to a comprehensive psychiatric emergency program in accordance with the provisions of section 9.40 of this article. 49

50 S 8. Section 9.55 of the mental hygiene law, as amended by chapter 847 51 of the laws of 1987, is amended to read as follows:

52 S 9.55 Emergency admissions for immediate observation, care and treat-53 ment; powers of qualified psychiatrists OR NURSE PRACTITIONERS.

A qualified psychiatrist OR NURSE PRACTITIONER shall have the power to direct the removal of any person[,] whose treatment for a mental illness he OR SHE is either supervising or providing in a facility licensed or

operated by the office of mental health, which does not have an inpa-1 2 tient psychiatric service, to a hospital approved by the commissioner 3 pursuant to subdivision (a) of section 9.39 of this article, OR TO A 4 COMPREHENSIVE PSYCHIATRIC EMERGENCY PROGRAM if he OR SHE determines upon 5 such person that such person appears to have a mental examination of 6 illness for which immediate observation, care and treatment in a hospi-7 is appropriate and which is likely to result in serious harm [to tal 8 himself or others], as defined in section [9.39] 9.01 of this article. 9 Upon the request of such qualified psychiatrist OR NURSE PRACTITIONER, 10 peace officers, when acting pursuant to their special duties, or police officers[,] who are members of an authorized police department or force 11 12 or of a sheriff's department shall take into custody and transport any such person. Upon the request of a qualified psychiatrist OR NURSE PRAC-13 14 TITIONER an ambulance service, as defined by subdivision two of section 15 three thousand one of the public health law, is authorized to transport any such person. Such person may then be admitted in accordance with the 16 17 provisions of section 9.39 of this article.

18 S 9. Section 9.57 of the mental hygiene law, as amended by chapter 598 19 of the laws of 1994, is amended to read as follows:

20 S 9.57 Emergency admissions for immediate observation, care and treat-21 ment; powers of emergency room physicians OR NURSE PRACTI-22 TIONERS.

23 A physician OR NURSE PRACTITIONER who has examined a person in an 24 emergency room or provided emergency medical services at a general 25 hospital, as defined in article twenty-eight of the public health law, 26 which does not have an inpatient psychiatric service, or a physician OR 27 PRACTITIONER who has examined a person in a comprehensive psychi-NURSE 28 atric emergency program shall be authorized to request that the director 29 of the program or hospital, or the director's designee, direct the removal of such person to a hospital approved by the commissioner pursu-30 subdivision (a) of section 9.39 of this article or to a compre-31 ant to 32 hensive psychiatric emergency program, if the physician OR NURSE PRACTI-33 TIONER determines upon examination of such person that such person 34 appears to have a mental illness for which immediate care and treatment in a hospital is appropriate and which is likely to result in 35 serious [to himself or others] AS DEFINED IN SECTION 9.01 OF THIS ARTICLE. 36 harm 37 Upon the request of the physician OR NURSE PRACTITIONER, the director of the program or hospital or the director's designee, is authorized to 38 39 direct peace officers, when acting pursuant to their special duties, or 40 police officers[,] who are members of an authorized police department or force or of a sheriff's department to take into custody and transport 41 42 any such person. Upon the request of an emergency room physician, A 43 NURSE PRACTITIONER, or the director of the program or hospital, or the 44 director's designee, an ambulance service, as defined by subdivision two 45 of section three thousand one of the public health law, is authorized to take into custody and transport any such person. Such person may then be 46 47 admitted to a hospital in accordance with the provisions of section 9.39 48 of this article or to a comprehensive psychiatric emergency program in 49 accordance with the provisions of section 9.40 of this article.

50 S 10. Section 9.57 of the mental hygiene law, as amended by chapter 51 847 of the laws of 1987, is amended to read as follows:

52 S 9.57 Emergency admissions for immediate observation, care and treat-53 ment; powers of emergency room physicians OR NURSE PRACTI-54 TIONERS.

55 A physician OR NURSE PRACTITIONER who has examined a person in an 56 emergency room or provided emergency medical services at a general

hospital, as defined in article twenty-eight of the public health law, 1 2 which does not have an inpatient psychiatric service, shall be author-3 to request that the director of the hospital, or his OR HER desigized 4 nee, direct the removal of such person to a hospital approved by the 5 commissioner pursuant to subdivision (a) of section 9.39 of this arti-6 if the physician OR NURSE PRACTITIONER determines upon examination cle, 7 of such person that such person appears to have a mental illness for 8 which immediate care and treatment in a hospital is appropriate and which is likely to result in serious harm [to himself or others], 9 as 10 defined in section [9.39] 9.01 of this article. Upon the request of the physician OR NURSE PRACTITIONER, the director of the hospital or his 11 OR HER designee, is authorized to direct peace officers, when acting pursu-12 13 their special duties, or police officers, who are members of an ant to 14 authorized police department or force or of a sheriff's department to 15 take into custody and transport any such person. S 11. Subparagraph (v) of paragraph 1 and paragraphs 3 and 4 of subdivision (e) and subdivisions (h), (i), (k) and (n) of section 9.60 of the mental hygiene law, as amended and paragraph 4 of subdivision (e) as added by chapter 158 of the laws of 2005, are amended to read as follows:

(v) a qualified psychiatrist OR NURSE PRACTITIONER who is either supervising the treatment of or treating the subject of the petition for a mental illness; or

30 (3) The petition shall be accompanied by an affirmation or affidavit 31 of a physician OR NURSE PRACTITIONER, who shall not be the petitioner, 32 stating either that:

(i) such physician OR NURSE PRACTITIONER has personally examined the subject of the petition no more than ten days prior to the submission of the petition, recommends assisted outpatient treatment for the subject of the petition, and is willing and able to testify at the hearing on the petition; or

38 (ii) no more than ten days prior to the filing of the petition, such 39 physician OR NURSE PRACTITIONER, or his or her designee, has made appro-40 priate attempts but has not been successful in eliciting the cooperation the subject of the petition to submit to an examination, such physi-41 of cian OR NURSE PRACTITIONER has reason to suspect that the subject of the 42 43 petition meets the criteria for assisted outpatient treatment, and such 44 physician OR NURSE PRACTITIONER is willing and able to examine the 45 subject of the petition and testify at the hearing on the petition.

(4) In counties with a population of less than seventy-five thousand, 46 47 the affirmation or affidavit required by paragraph three of this subdi-48 vision may be made by a physician OR NURSE PRACTITIONER who is an 49 employee of the office. The office is authorized to make available, at no cost to the county, a qualified physician OR NURSE 50 PRACTITIONER for 51 purpose of making such affirmation or affidavit consistent with the the 52 provisions of such paragraph.

53 (h) Hearing. (1) Upon receipt of the petition, the court shall fix the 54 date for a hearing. Such date shall be no later than three days from the 55 date such petition is received by the court, excluding Saturdays, 56 Sundays and holidays. Adjournments shall be permitted only for good

cause shown. In granting adjournments, the court shall consider the need 1 2 for further examination by a physician OR NURSE PRACTITIONER or the 3 potential need to provide assisted outpatient treatment expeditiously. 4 The court shall cause the subject of the petition, any other person receiving notice pursuant to subdivision (f) of this section, the peti-5 6 tioner, the physician OR NURSE PRACTITIONER whose affirmation or affida-7 accompanied the petition, and such other persons as the court may vit 8 determine to be advised of such date. Upon such date, or upon such other date to which the proceeding may be adjourned, the court shall hear 9 10 testimony and, if it be deemed advisable and the subject of the petition 11 is available, examine the subject of the petition in or out of court. If 12 subject of the petition does not appear at the hearing, and approthe 13 priate attempts to elicit the attendance of the subject have failed, the 14 court may conduct the hearing in the subject's absence. In such case, 15 the court shall set forth the factual basis for conducting the hearing 16 without the presence of the subject of the petition.

17 (2) The court shall not order assisted outpatient treatment unless an 18 examining physician OR NURSE PRACTITIONER, who recommends assisted outpatient treatment and has personally examined the subject of the 19 20 petition no more than ten days before the filing of the petition, testi-21 in person at the hearing. Such physician OR NURSE PRACTITIONER fies 22 shall state the facts and clinical determinations which support the 23 allegation that the subject of the petition meets each of the criteria 24 for assisted outpatient treatment.

25 (3) If the subject of the petition has refused to be examined by a 26 physician OR NURSE PRACTITIONER, the court may request the subject to consent to an examination by a physician OR NURSE PRACTITIONER appointed 27 by the court. If the subject of the petition does not consent 28 and the 29 court finds reasonable cause to believe that the allegations in the petition are true, the court may order peace officers, acting pursuant 30 their special duties, or police officers who are members of an 31 to 32 authorized police department or force, or of a sheriff's department to 33 take the subject of the petition into custody and transport him or her 34 to a hospital for examination by a physician. Retention of the subject 35 of the petition under such order shall not exceed twenty-four hours. The the subject of the petition may be performed by the 36 examination of 37 physician OR NURSE PRACTITIONER whose affirmation or affidavit accompa-38 nied the petition pursuant to paragraph three of subdivision (e) of this if such physician OR NURSE PRACTITIONER is privileged by such 39 section, 40 hospital or otherwise authorized by such hospital to do such so. If examination is performed by another physician OR NURSE PRACTITIONER, the 41 examining physician OR NURSE PRACTITIONER may consult with the physician 42 NURSE PRACTITIONER whose affirmation or affidavit accompanied the 43 OR 44 petition as to whether the subject meets the criteria for assisted 45 outpatient treatment.

(4) A physician OR NURSE PRACTITIONER who testifies pursuant to para-46 47 graph two of this subdivision shall state: (i) the facts which support 48 the allegation that the subject meets each of the criteria for assisted 49 outpatient treatment, (ii) that the treatment is the least restrictive 50 (iii) the recommended assisted outpatient treatment, and alternative, 51 (iv) the rationale for the recommended assisted outpatient treatment. If the recommended assisted outpatient treatment includes medication, such 52 53 physician's OR NURSE PRACTITIONER'S testimony shall describe the types 54 or classes of medication which should be authorized, shall describe the 55 beneficial and detrimental physical and mental effects of such medica1 tion, and shall recommend whether such medication should be self-admin-2 istered or administered by authorized personnel.

3 (5) The subject of the petition shall be afforded an opportunity to 4 present evidence, to call witnesses on his or her behalf, and to cross-5 examine adverse witnesses.

6 Written treatment plan. (1) The court shall not order assisted (i) 7 outpatient treatment unless a physician OR NURSE PRACTITIONER appointed 8 by the appropriate director, in consultation with such director, develops and provides to the court a proposed written treatment plan. 9 The 10 written treatment plan shall include case management services or asser-11 tive community treatment team services to provide care coordination. The written treatment plan also shall include all categories of services, as 12 set forth in paragraph one of subdivision (a) of this section, which 13 14 such physician OR NURSE PRACTITIONER recommends that the subject of the 15 petition receive. All service providers shall be notified regarding their inclusion in the written treatment plan. If the written treatment 16 plan includes medication, it shall state whether such medication should 17 18 self-administered or administered by authorized personnel, and shall be 19 specify type and dosage range of medication most likely to provide maximum benefit for the subject. If the written treatment plan includes 20 21 alcohol or substance abuse counseling and treatment, such plan may 22 include a provision requiring relevant testing for either alcohol or illegal substances provided the physician's OR NURSE PRACTITIONER'S 23 24 clinical basis for recommending such plan provides sufficient facts for 25 court to find (i) that such person has a history of alcohol or the 26 substance abuse that is clinically related to the mental illness; and (ii) that such testing is necessary to prevent a relapse or deteri-oration which would be likely to result in serious harm to the person or 27 28 29 others. If a director is the petitioner, the written treatment plan 30 shall be provided to the court no later than the date of the hearing on the petition. If a person other than a director is the petitioner, such 31 32 plan shall be provided to the court no later than the date set by the 33 court pursuant to paragraph three of subdivision (j) of this section.

(2) The physician OR NURSE PRACTITIONER appointed to develop the writ-34 35 ten treatment plan shall provide the following persons with an opportunity to actively participate in the development of such plan: the 36 subject of the petition; the treating physician OR NURSE PRACTITIONER, 37 if any; and upon the request of the subject of the petition, an individ-38 significant to the subject including any relative, close friend or 39 ual 40 individual otherwise concerned with the welfare of the subject. If the subject of the petition has executed a health care proxy, the appointed 41 physician OR NURSE PRACTITIONER shall consider any directions 42 included 43 in such proxy in developing the written treatment plan.

44 (3) The court shall not order assisted outpatient treatment unless a 45 physician OR NURSE PRACTITIONER appearing on behalf of a director testifies to explain the written proposed treatment plan. Such physician OR 46 47 PRACTITIONER shall state the categories of assisted outpatient NURSE 48 treatment recommended, the rationale for each such category, facts which 49 establish that such treatment is the least restrictive alternative, and, 50 if the recommended assisted outpatient treatment plan includes medica-51 such physician OR NURSE PRACTITIONER shall state the types or tion, 52 classes of medication recommended, the beneficial and detrimental phys-53 ical and mental effects of such medication, and whether such medication 54 should be self-administered or administered by an authorized profes-55 sional. If the subject of the petition has executed a health care proxy, such physician OR NURSE PRACTITIONER shall state the consideration given 56

1 to any directions included in such proxy in developing the written 2 treatment plan. If a director is the petitioner, testimony pursuant to 3 this paragraph shall be given at the hearing on the petition. If a 4 person other than a director is the petitioner, such testimony shall be 5 given on the date set by the court pursuant to paragraph three of subdi-6 vision (j) of this section.

7 (k) Petition for additional periods of treatment. Within thirty days 8 prior to the expiration of an order of assisted outpatient treatment, 9 the appropriate director or the current petitioner, if the current peti-10 tion was filed pursuant to subparagraph (i) or (ii) of paragraph one of 11 subdivision (e) of this section, and the current petitioner retains his 12 or her original status pursuant to the applicable subparagraph, may 13 petition the court to order continued assisted outpatient treatment for 14 a period not to exceed one year from the expiration date of the current 15 order. If the court's disposition of such petition does not occur prior to the expiration date of the current order, the current order shall 16 remain in effect until such disposition. The procedures for obtaining 17 18 any order pursuant to this subdivision shall be in accordance with the 19 provisions of the foregoing subdivisions of this section; provided that 20 the time restrictions included in paragraph four of subdivision (c) of 21 this section shall not be applicable. The notice provisions set forth in paragraph six of subdivision (j) of this section shall be applicable. 22 Any court order requiring periodic blood tests or urinalysis for the 23 presence of alcohol or illegal drugs shall be subject to review after 24 25 six months by the physician OR NURSE PRACTITIONER who developed the written treatment plan or another physician OR NURSE PRACTITIONER desig-26 27 nated by the director, and such physician OR NURSE PRACTITIONER shall be authorized to terminate such blood tests or urinalysis without further 28 29 action by the court.

30 (n) Failure to comply with assisted outpatient treatment. Where in the clinical judgment of a physician OR NURSE PRACTITIONER, (i) the assisted 31 32 outpatient, has failed or refused to comply with the assisted outpatient 33 treatment, (ii) efforts were made to solicit compliance, and (iii) such 34 assisted outpatient may be in need of involuntary admission to a hospital pursuant to section 9.27 of this article or immediate observation, 35 care and treatment pursuant to section 9.39 or 9.40 of this article, 36 37 such physician OR NURSE PRACTITIONER may request the director of commu-38 nity services, the director's designee, or any physician OR NURSE PRAC-TITIONER designated by the director of community services pursuant to 39 40 9.37 of this article, to direct the removal of such assisted section outpatient to an appropriate hospital for an examination to determine if 41 42 such person has a mental illness for which hospitalization is necessary 43 pursuant to section 9.27, 9.39 or 9.40 of this article. Furthermore, if 44 such assisted outpatient refuses to take medications as required by the court order, or he or she refuses to take, or fails a blood test, urina-45 lysis, or alcohol or drug test as required by the court order, such 46 47 physician OR NURSE PRACTITIONER may consider such refusal or failure when determining whether the assisted outpatient is in need of an exam-48 49 ination to determine whether he or she has a mental illness for which 50 hospitalization is necessary. Upon the request of such physician OR 51 NURSE PRACTITIONER, the director, the director's designee, or any physician OR NURSE PRACTITIONER designated pursuant to section 9.37 of this 52 53 article, may direct peace officers, acting pursuant to their special 54 duties, or police officers who are members of an authorized police 55 department or force or of a sheriff's department to take the assisted outpatient into custody and transport him or her to the hospital operat-56

ing the assisted outpatient treatment program or to any hospital author-1 2 ized by the director of community services to receive such persons. Such 3 law enforcement officials shall carry out such directive. Upon the 4 request of such physician OR NURSE PRACTITIONER, the director, the director's designee, or any physician OR NURSE PRACTITIONER designated 5 6 pursuant to section 9.37 of this article, an ambulance service, as 7 defined by subdivision two of section three thousand one of the public 8 health law, or an approved mobile crisis outreach team as defined in 9 section 9.58 of this article shall be authorized to take into custody 10 transport any such person to the hospital operating the assisted and 11 outpatient treatment program, or to any other hospital authorized by the 12 director of community services to receive such persons. Any director of community services, or designee, shall be authorized to direct the 13 14 removal of an assisted outpatient who is present in his or her county to 15 an appropriate hospital, in accordance with the provisions of this subdivision, based upon a determination of the appropriate director of 16 17 community services directing the removal of such assisted outpatient 18 pursuant to this subdivision. Such person may be retained for observa-19 tion, care and treatment and further examination in the hospital for up 20 seventy-two hours to permit a physician OR NURSE PRACTITIONER to to 21 determine whether such person has a mental illness and is in need of 22 involuntary care and treatment in a hospital pursuant to the provisions 23 of this article. Any continued involuntary retention in such hospital beyond the initial seventy-two hour period shall be in accordance with 24 25 the provisions of this article relating to the involuntary admission and 26 retention of a person. If at any time during the seventy-two hour period the person is determined not to meet the involuntary admission and retention provisions of this article, and does not agree to stay in the 27 28 29 hospital as a voluntary or informal patient, he or she must be released. 30 Failure to comply with an order of assisted outpatient treatment shall not be grounds for involuntary civil commitment or a finding of contempt 31 32 of court.

33 S 12. This act shall take effect immediately; provided, however, that: 34 a. The amendments to subdivision (a) of section 9.37 of the mental 35 hygiene law made by section four of this act shall be subject to the 36 expiration and reversion of such subdivision pursuant to section 21 of 37 chapter 723 of the laws of 1989, as amended, when upon such date the 38 provisions of section five of this act shall take effect;

b. The amendments to subdivisions (b) and (c) of section 9.40 of the mental hygiene law made by section six of this act shall not affect the repeal of such section and shall be deemed repealed therewith;

42 The amendments to sections 9.55 and 9.57 of the mental hygiene law c. 43 made by sections seven and nine of this act shall be subject to the expiration and reversion of such sections pursuant to section 21 of chapter 723 of the laws of 1989, as amended, when upon such date the 44 45 provisions of sections eight and ten of this act shall take effect; and 46 47 The amendments to section 9.60 of the mental hygiene law made by d. 48 section eleven of this act shall not affect the repeal of such section 49 and shall be deemed repealed therewith.
