2011-2012 Regular Sessions

I N S E N A T E

April 27, 2011

Introduced by Sen. SEWARD -- read twice and ordered printed, and when printed to be committed to the Committee on Insurance

AN ACT to amend the insurance law and the tax law, in relation to establishing the surplus lines insurance multi-state compliance compact with respect to surplus lines insurance and premium tax allocation

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- 1 Section 1. Legislative findings. The legislature finds, with regard to
2 non-admitted insurance policies with risk exposures located in multiple
3 states, the 111th United States Congress has stipulated in title V,
4 subtitle B, the Non-Admitted and Reinsurance Reform Act of 2010 of the
5 Dodd-Frank Wall Street Reform and Consumer Protection Act (hereinafter
6 the NRRA) that:
- 7 1. The placement of non-admitted insurance shall be subject to the
8 statutory and regulatory requirements solely of the insured's home
9 state, and
- 10 2. Any law, regulation, provision or action of any state that applies
11 or purports to apply to non-admitted insurance sold to, solicited by or
12 negotiated with an insured whose home state is another state shall be
13 preempted with respect to such application; except that any state law,
14 rule or regulation that restricts the placement of workers' compensation
15 insurance or excess insurance for self-funded workers' compensation
16 plans with a non-admitted insurer shall not be preempted.
- 17 The legislature finds further that in compliance with NRRA, no state
18 other than the home state of an insured may require any premium tax
19 payment for non-admitted insurance; and no state other than an insured's
20 home state may require a surplus lines broker to be licensed in order to
21 sell, solicit or negotiate non-admitted insurance with respect to such
22 insured.
- 23 The legislature finds further that the NRRA intends that the states
24 may enter into a compact or otherwise establish procedures to allocate

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets
[] is old law to be omitted.

1 among the states the premium taxes paid to an insured's home state; and
2 that each state adopt nationwide uniform requirements, form, and proce-
3 dures, such as an interstate compact, that provide for the reporting,
4 payment, collection and allocation of premium taxes for non-admitted
5 insurance.

6 The legislature finds further that after the expiration of the two-
7 year period beginning on the effective date of the NRRA, a state may not
8 collect any fees relating to licensing of an individual or entity as a
9 surplus lines licensee in the state unless the state has in effect at
10 such time laws or regulations that provide for participation by the
11 state in the national insurance producer database of the National Asso-
12 ciation of Insurance Commissioners (hereinafter the NAIC) or any other
13 equivalent uniform national database for the licensure of surplus lines
14 licensees and the renewal of such licenses.

15 The legislature recognizes that a need exists for a system of regu-
16 lation that will provide for surplus lines insurance to be placed with
17 reputable and financially sound non-admitted insurers and that will
18 permit orderly access to surplus lines insurance in this state and
19 encourage insurers to make new and innovative types of insurance avail-
20 able to consumers in this state.

21 The legislature finds that protecting the revenue of this state and
22 other compacting states may be accomplished by facilitating the payment
23 and collection of premium tax on non-admitted insurance and providing
24 for allocation of premium tax for non-admitted insurance of multi-state
25 risks among the states in accordance with uniform allocation formulas.

26 The legislature finds that the efficiency of the surplus lines market
27 may be improved by eliminating duplicative and inconsistent tax and
28 regulatory requirements among the states and by promoting and protecting
29 the interests of surplus lines licensees who assist such insureds and
30 non-admitted insurers, thereby ensuring the continued availability of
31 non-admitted insurance to consumers.

32 Regulatory compliance with respect to non-admitted insurance place-
33 ments may be streamlined by providing for exclusive single-state regula-
34 tory compliance for non-admitted insurance of multi-state risks, thereby
35 providing certainty regarding such compliance to all persons who have an
36 interest in such transactions, including but not limited to insureds,
37 regulators, surplus lines licensees, other insurance producers and
38 surplus lines insurers.

39 The legislature finds that coordination of regulatory resources and
40 expertise between state insurance departments and other state agencies,
41 as well as state surplus lines stamping offices, with respect to non-ad-
42 mitted insurance will be improved.

43 S. 2. The insurance law is amended by adding a new article 29 to read
44 as follows:
