AN ACT to validate certain acts of the Babylon union free school district with regard to a certain capital improvement project

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1     Section 1. Legislative intent. The legislature hereby finds that the  
2     Babylon union free school district approved a capital improvement  
3     project which is designated project number 0001-010. In addition, the  
4     project was eligible for certain state aid. The legislature further  
5     finds that due to ministerial error, the required filing of the final  
6     cost report for such project was not made by such district in a timely  
7     manner making the district ineligible for certain aid. The legislature  
8     further finds that without such aid, the capital improvement project  
9     will impose an additional, unanticipated hardship on district taxpayers.  
10    S 2. All the acts done and proceedings heretofore had and taken or  
11    caused to be had or taken by the Babylon union free school district and  
12    by all its officers or agents relating to or in connection with a  
13    certain final cost report to be filed with the state education depart-  
14    ment for project 0001-010, and all acts incidental thereto are hereby  
15    legalized, validated, ratified and confirmed, notwithstanding any fail-  
16    ure to comply with the approval and filing provisions of the education  
17    law or any other law or any other statutory authority, rule or regu-  
18    lation, in relation to any omissions, error, defect, irregularity or  
19    illegality in such proceedings had and taken, and provided further that  
20    any amount due and payable to the Babylon union free school district for  
21    school years prior to the 2011-2012 school year as a result of this act
