34 S 3. Subdivision 1 of section 103 of the general municipal law, as  
35 amended by section 1 of part FF of chapter 56 of the laws of 2010, is  
36 amended to read as follows:

37 1. Except as otherwise expressly provided by an act of the legislature  
38 or by a local law adopted prior to September first, nineteen hundred  
39 fifty-three, all contracts for public work involving an expenditure of  
40 more than thirty-five thousand dollars and all purchase contracts  
41 involving an expenditure of more than twenty thousand dollars, shall be  
42 awarded by the appropriate officer, board or agency of a political  
43 subdivision or of any district therein including but not limited to a  
44 soil conservation district, to the lowest responsible bidder furnishing  
45 the required security after advertisement for sealed bids in the manner  
46 provided by this section. In any case where a responsible bidder's gross  
47 price is reducible by an allowance for the value of used machinery,  
48 equipment, apparatus or tools to be traded in by a political subdivi-  
49 sion, the gross price shall be reduced by the amount of such allowance,  
50 for the purpose of determining the low bid. In cases where two or more  
51 responsible bidders furnishing the required security submit identical  
52 bids as to price, such officer, board or agency may award the contract  
53 to any of such bidders. Such officer, board or agency may, in his or her  
54 or its discretion, reject all bids and readvertise for new bids in the  
55 manner provided by this section. ALL SUBMITTED BIDS FOR SUCH PUBLIC WORK  
56 CONTRACTS MUST BE FOR A FIXED DOLLAR AMOUNT. In determining whether a

1 purchase is an expenditure within the discretionary threshold amounts  
2 established by this subdivision, the officer, board or agency of a poli-  
3 tical subdivision or of any district therein shall consider the reason-  
4 ably expected aggregate amount of all purchases of the same commodities,  
5 services or technology to be made within the twelve-month period  
6 commencing on the date of purchase. Purchases of commodities, services  
7 or technology shall not be artificially divided for the purpose of  
8 satisfying the discretionary buying thresholds established by this  
9 subdivision. A change to or a renewal of a discretionary purchase shall  
10 not be permitted if the change or renewal would bring the reasonably  
11 expected aggregate amount of all purchases of the same commodities,  
12 services or technology from the same provider within the twelve-month  
13 period commencing on the date of the first purchase to an amount greater  
14 than the discretionary buying threshold amount. For purposes of this  
15 section, "sealed bids", as that term applies to purchase contracts,  
16 shall include bids submitted in an electronic format including  
17 submission of the statement of non-collusion required by section one  
18 hundred three-d of this article, provided that the governing board of  
19 the political subdivision or district, by resolution, has authorized the  
20 receipt of bids in such format. Submission in electronic format may,  
21 for technology contracts only, be required as the sole method for the  
22 submission of bids. Bids submitted in an electronic format shall be  
23 transmitted by bidders to the receiving device designated by the poli-  
24 tical subdivision or district. Any method used to receive electronic  
25 bids shall comply with article three of the state technology law, and  
26 any rules and regulations promulgated and guidelines developed there-  
27 under and, at a minimum, must (a) document the time and date of receipt  
28 of each bid received electronically; (b) authenticate the identity of  
29 the sender; (c) ensure the security of the information transmitted; and  
30 (d) ensure the confidentiality of the bid until the time and date estab-  
31 lished for the opening of bids. The timely submission of an electronic  
32 bid in compliance with instructions provided for such submission in the  
33 advertisement for bids and/or the specifications shall be the responsi-  
34 bility solely of each bidder or prospective bidder. No political subdi-  
35 vision or district therein shall incur any liability from delays of or  
36 interruptions in the receiving device designated for the submission and  
37 receipt of electronic bids.

38 S 4. Subdivision 1 of section 103 of the general municipal law, as  
39 amended by section 2 of part FF of chapter 56 of the laws of 2010, is  
40 amended to read as follows:

41 1. Except as otherwise expressly provided by an act of the legislature  
42 or by a local law adopted prior to September first, nineteen hundred  
43 fifty-three, all contracts for public work involving an expenditure of  
44 more than thirty-five thousand dollars and all purchase contracts  
45 involving an expenditure of more than twenty thousand dollars, shall be  
46 awarded by the appropriate officer, board or agency of a political  
47 subdivision or of any district therein including but not limited to a  
48 soil conservation district, to the lowest responsible bidder furnishing  
49 the required security after advertisement for sealed bids in the manner  
50 provided by this section. ALL SUBMITTED BIDS FOR SUCH PUBLIC WORK  
51 CONTRACTS MUST BE FOR A FIXED DOLLAR AMOUNT. In determining whether a  
52 purchase is an expenditure within the discretionary threshold amounts  
53 established by this subdivision, the officer, board or agency of a poli-  
54 tical subdivision or of any district therein shall consider the reason-  
55 ably expected aggregate amount of all purchases of the same commodities,  
56 services or technology to be made within the twelve-month period

1 commencing on the date of purchase. Purchases of commodities, services  
2 or technology shall not be artificially divided for the purpose of  
3 satisfying the discretionary buying thresholds established by this  
4 subdivision. A change to or a renewal of a discretionary purchase shall  
5 not be permitted if the change or renewal would bring the reasonably  
6 expected aggregate amount of all purchases of the same commodities,  
7 services or technology from the same provider within the twelve-month  
8 period commencing on the date of the first purchase to an amount greater  
9 than the discretionary buying threshold amount. In any case where a  
10 responsible bidder's gross price is reducible by an allowance for the  
11 value of used machinery, equipment, apparatus or tools to be traded in  
12 by a political subdivision, the gross price shall be reduced by the  
13 amount of such allowance, for the purpose of determining the low bid. In  
14 cases where two or more responsible bidders furnishing the required  
15 security submit identical bids as to price, such officer, board or agen-  
16 cy may award the contract to any of such bidders. Such officer, board or  
17 agency may, in his, her or its discretion, reject all bids and readver-  
18 tise for new bids in the manner provided by this section.
