23 of paragraph (e-1) of section 1507 of the not-for-profit corporation

26 and subparagraph 2 of paragraph (e-1) as amended by chapter 111 of the  
27 laws of 2000, are amended to read as follows:

28 (2) The permanent maintenance fund is hereby declared to be and shall  
29 be held by the corporation as a trust fund, for the purpose of maintain-  
30 ing and preserving the cemetery, including all lots, crypts, niches,  
31 plots, and parts thereof. The principal of such fund shall be invested  
32 in such securities as are permitted for the investment of trust funds by  
33 section 11-2.3 of the estates, powers and trusts law. The income in the  
34 form of interest and ordinary dividends therefrom shall be used solely  
35 for the maintenance and preservation of the cemetery grounds. In addi-  
36 tion, the governing board of the corporation may appropriate for expend-  
37 iture solely for the maintenance and preservation of the cemetery  
38 grounds a portion of the net appreciation, realized (with respect to all  
39 assets) and unrealized (with respect only to readily marketable assets),  
40 in the fair market value of the principal of the trust in excess of its  
41 adjusted historic dollar value, as defined in this subparagraph, as is  
42 prudent under the standard established by section seven hundred seven-  
43 teen of this chapter (duty of directors and officers) and as limited by  
44 the maximum annual appropriation defined in this subparagraph. For the  
45 purposes of this subparagraph, the adjusted historic dollar value of the  
46 trust principal shall be the market value of the principal three full  
47 calendar years prior to the effective date of the amendments made to  
48 this subparagraph, plus all subsequent additions thereto, minus all  
49 allowable deductions therefrom, adjusted by the rate of inflation as  
50 measured by the applicable consumer price index. The maximum annual  
51 appropriation shall be sixty percent of the average of the net appreci-  
52 ation in the fund for the immediately preceding three years, but only to  
53 the extent that it exceeds the adjusted historical dollar value of the  
54 fund in the current year. Cemetery corporations shall keep complete  
55 records of the adjusted historic dollar value of the permanent mainte-  
56 nance fund. In the event that a cemetery corporation seeks to appropri-

1 ate any percentage of its net appreciation in its permanent maintenance  
2 fund in accordance with this subparagraph, the cemetery corporation  
3 shall send a notice of such proposed appropriation by certified mail to  
4 the cemetery board, setting forth the amount of funds to be appropriated  
5 for such expenditure and its effect on the permanent maintenance fund,  
6 and certifying that such amount does not exceed the maximum annual  
7 appropriation defined in this subparagraph. Such proposed appropriation  
8 shall become effective sixty days after receipt of such notice, unless  
9 the cemetery board within such sixty-day period notifies the cemetery  
10 corporation that the board objects to the proposed appropriation.  
11 Notwithstanding the foregoing provisions of this subparagraph, all prin-  
12 cipal of the permanent maintenance fund shall remain inviolate, except  
13 that, upon application to the [supreme court in a district where a  
14 portion of the cemetery grounds is located, the court] CEMETERY BOARD,  
15 THE CEMETERY BOARD may make an order permitting the principal or a part  
16 thereof to be used for the purpose of current maintenance and preserva-  
17 tion of the cemetery or otherwise. Such application may be made by the  
18 cemetery board on notice to the corporation or by the corporation on  
19 notice to the cemetery board. Unless the cemetery can clearly demon-  
20 strate that it lacks sufficient future revenue to make repayment, any  
21 such allowance from the permanent maintenance fund shall be in the form  
22 of a loan, and the court shall determine the method for repayment of  
23 such a loan by the cemetery to the fund. Any loan from the permanent  
24 maintenance fund shall be ignored for the purpose of computing the  
25 adjusted dollar value of the fund. In the event that the [court] CEME-  
26 TERY BOARD determines that an outright grant of principal from the  
27 permanent maintenance fund is necessary, the amount of such grant shall  
28 be deducted from the adjusted historic dollar value of the trust princi-  
29 pal for the purposes of this subparagraph.

30 (e) Designation of fiduciary corporation by directors or trustees of  
31 cemetery corporation to act as custodians of funds. Notwithstanding the  
32 provisions of any other law, the directors or trustees of cemetery  
33 corporations are hereby authorized to designate a bank or trust company  
34 to act as custodian and trustee of any or all of the respective funds of  
35 such cemetery corporation received by it for the perpetual care of lots  
36 in the cemetery thereof pursuant to subdivision (b), of this section,  
37 the permanent maintenance of such cemetery pursuant to subdivision (a)  
38 of this section, and for special purposes pursuant to subdivision (f) of  
39 this section. Such corporate trustee shall be designated by a resolution  
40 duly adopted by the board of directors or trustees [and approved by a  
41 justice of the supreme court of the judicial district in which the ceme-  
42 tery of said corporation is located]; and the directors or trustees of  
43 such cemetery corporation may[, with the approval of the justice of the  
44 supreme court,] revoke such trust, and either take over such trust fund  
45 or name another trustee to handle the same, but if not so revoked, such  
46 trust shall be perpetual. NOTICE OF SUCH A CHANGE IN DESIGNATION SHALL  
47 BE PROVIDED TO THE CEMETERY BOARD WITHIN SIXTY DAYS OF SUCH DESIGNATION  
48 BY THE BOARD OF DIRECTORS OR TRUSTEES OF THE CEMETERY CORPORATION. Any  
49 bank or trust company accepting any such cemetery fund shall keep the  
50 same separate from all other funds, except that it may, irrespective of  
51 any provision contained in this article invest the same in a legal  
52 common trust fund or in shares of a mutual trust investment company  
53 organized under the banking law, and shall pay over the net income to  
54 the directors or trustees of the cemetery corporation by whom it shall  
55 be expended and applied to the purpose for which such trust fund was

1 paid to the cemetery corporations and accounted for in accordance with  
2 such subdivisions (a), (b) and (f) of this section.  
3 (2) The principal of the fund shall be invested in securities permit-  
4 ted for the investment of trust funds by sections 11-2.2 and 11-2.3 of  
5 the estates, powers and trusts law. The principal of such fund shall  
6 remain inviolate, except that upon application to the [supreme court in  
7 a district where a portion of the cemetery grounds is located, the  
8 court] CEMETERY BOARD, WHICH may make an order permitting the principal  
9 or a part thereof to be used for the purpose of restoring monuments  
10 damaged or defaced by an act of vandalism. The income arising from such  
11 investment shall be used solely for the costs and expenses resulting  
12 from an act of vandalism against monuments in such cemetery.  
13 S 3. This act shall take effect immediately.
