AN ACT to amend chapter 365 of the laws of 2011, relating to authorizing the village of Southampton, in the county of Suffolk, to offer certain retirement options to police officer Theodore Raffel, Jr., in relation to specifying the time frame under which the village of Southampton shall pay the costs for implementing such retirement options

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Sections 1 and 2 of chapter 365 of the laws of 2011,
2 relating to authorizing the village of Southampton, in the county of
3 Suffolk, to offer certain retirement options to police officer Theodore
4 Raffel, Jr., are amended to read as follows:
5 Section 1. Notwithstanding any other provision of law to the contrary,
6 the village of Southampton, in the county of Suffolk, a participating
7 employer in the New York state and local police and fire retirement
8 system, which previously elected to offer the optional retirement plan
9 established pursuant to section 384-d of the retirement and social secu-
10 rity law to police officers employed by such village, is hereby author-
11 ized to make participation in such plan available to Theodore Raffel,

2 384-d of the retirement and social security law, and shall be entitled
3 to the full rights and benefits associated with coverage under such
4 section, by filing a request to that effect with the state comptroller

6 S 2. All past service costs associated with implementing the
7 provisions of this act shall be borne by the village of Southampton AND
8 SHALL BE PAYABLE OVER A PERIOD OF FIVE YEARS.

9 S 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill amends chapter 365 of the laws of 2011 which allows the Village of Southampton to elect to reopen the provisions of Section 384-d of the Retirement and Social Security Law for police officer Theodore Raffel if he files an election by December 31, 2011. This amendment will grant officer Raffel and the Village of Southampton an additional year to elect Section 384-d and permit the Village of Southampton to amortize the past service cost over a five year period.

If this bill is enacted, and officer Theodore Raffel becomes covered under Section 384-d, we anticipate that there will be an increase of approximately \$11,100 in the annual contributions of the Village of Southampton for the fiscal year ending March 31, 2013.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$185,000 which would be borne by the Village of Southampton as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2013. If this cost is amortized over a five year period, the cost for the first year, including interest would be approximately \$42,400.
