Introduced by Sen. SALAND -- (at request of the NYC Education (see sed)) -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law, in relation to discipline for inappropriate sexual conduct

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- Legislative intent. School employees hold important posi-Section 1. tions in our communities, not only as educators, but often as mentors advisors. They are professionally and personally placed in a position of trust. The vast majority of educators are conscientious and talented and should be credited with a significant part of the overall 5 6 success of our youth. They play an integral role in both the child's 7 life, as well as the community as a whole; which makes a violation of this position of trust even more pronounced. To that end, 8 reports of 9 inappropriate sexual conduct between educators and students 10 have increased. At times, this behavior involves an educator student in a continuum of inappropriate behavior that is intended to 11 create and advance an intimate or sexual relationship with the student. 12 13 These tragic and heinous cases often result in life-long harm to the student's physical, psychological and educational well-being. Given the 14 15 serious consequences of these actions, it imperative that the disciplinary procedures related to this type of misconduct are congruent with 16 egregiousness of the behavior. Greater protection is needed to more 17 18 effectively deal with inappropriate sexual conduct by a small minority 19 school employees to help facilitate a safer environment for our 20 students, target inappropriate behavior, and preserve the integrity of 21 our educational system. 22
 - S 2. Paragraph a of subdivision 2 of section 3020-a of the education law, as amended by section 1 of part B of chapter 57 of the laws of 2012, is amended to read as follows:
- 25 a. Upon receipt of the charges, the clerk or secretary of the school 26 district or employing board shall immediately notify said board thereof. 27 Within five days after receipt of charges, the employing board, in exec-
