AN ACT to amend the education law, in relation to enacting "Erin Merryn's law"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1     Section 1. Short title. This act shall be known and may be cited as  
2     "Erin Merryn's law".  
3     S 2. Legislative findings and intent. The legislature finds and  
4     declares that child sexual abuse, estimated to affect up to one in four  
5     girls and up to one in six boys, poses a grave threat to the health and  
6     safety of young people, and its damaging effects can last a lifetime.  
7     The legislature also finds and declares that child sexual exploita-  
8     tion, including the use of children in pornography and prostitution, and  
9     child abduction pose a similar threat to the health and safety of young  
10    people, and put child victims at grave risk of death or severe bodily  
11    harm.  
12    The legislature also finds and declares that the incidence of child  
13    sexual abuse, child sexual exploitation and child abduction can be  
14    reduced by raising awareness among young children of common dangers and  
15    warning signs, empowering children to better protect themselves from  
16    sexual predators, and teaching children how to obtain any necessary  
17    assistance or services.  
18    It is hereby declared to be the public policy and in the public inter-  
19    est of this state to establish a comprehensive program to provide an  
20    age-appropriate course of instruction in the prevention of child abduc-  
21    tion, child sexual exploitation and child sexual abuse.
