9 child abduction pose a similar threat to the health and safety of young
10 people, and put child victims at grave risk of death or severe bodily
11 harm.
12 The legislature also finds and declares that the incidence of child
13 sexual abuse, child sexual exploitation and child abduction can be
14 reduced by raising awareness among young children of common dangers and
15 warning signs, empowering children to better protect themselves from
16 sexual predators, and teaching children how to obtain any necessary
