AN ACT to amend the election law, in relation to run-off elections in the city of New York; and providing for the repeal of such provisions upon the expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings. The legislature finds and declares
2 that the effective and timely administration of local elections in the
3 city of New York is a matter of substantial state concern. In further-
4 ance of this concern, the legislature finds that it is essential to the
5 local democratic process to ensure that the board of elections in the
6 city of New York utilizes voting machines that allow for the timely and
7 orderly administration of elections. In order to modernize and update
8 the voting systems utilized in New York State, the legislature passed
9 the Election Reform and Modernization Act of 2005, which set forth
10 requirements for electronic voting systems, including optical scanning
11 voting machines, throughout the state. The implementation of these elec-
12 tronic voting systems has brought the state into conformance with
13 national standards for voting system performance and modernization. The
14 state has a substantial interest in ensuring that elections in the city
15 of New York are generally conducted with an electronic voting system
16 that meets the above mentioned statewide standards. At the same time,
17 the city of New York is uniquely situated in that a run-off primary is
18 required to be held two weeks after the local primary election in
19 certain circumstances. In recent elections administered with optical

scanning voting machines, approved by the state board of elections, it has taken over two weeks for the board of elections in the city of New York to finalize election results. A series of one-time and immediate short-term changes to the current election law, as applied to the city of New York, are therefore necessary to further the state's substantial concerns and ensure that the 4.2 million registered voters in the city of New York are able to exercise their voting rights in a timely and orderly primary election and run-off election, should a run-off be required.

S 2. Section 4-114 of the election law, as amended by chapter 4 of the laws of 2011, is amended to read as follows:

The county board of elections, not later than the thirty-fifth day before the day of a primary or general election, or the fifty-third day before a special election, shall determine the candidates duly nominated for public office and the questions that shall appear on the ballot within the jurisdiction of that board of elections.
