

LEGISLATIVE RESOLUTION honoring David Sexton upon the occasion of his designation by the Harvard Club of Long Island as a Distinguished Teacher of 2013

WHEREAS, Individuals who distinguish themselves in their profession and in service to their community merit the highest commendation; and

WHEREAS, Attendant to such concern, this Legislative Body is justly proud to honor David Sexton upon the occasion of his designation by the Harvard Club of Long Island as a Distinguished Teacher of 2013; and

WHEREAS, He was honored at the Harvard Club of Long Island's annual University Relations Lunch on April 7, 2013; and

WHEREAS, The Harvard Club of Long Island's awards recognize people who transform the future; dedicated teachers such as David Sexton expend unfathomable amounts of time and energy on their students day after day and year after year; and

WHEREAS, David Sexton, who has worked at Sewanhaka High School for 11 years, primarily teaches physics but has also taught chemistry and science research; and

WHEREAS, David Sexton earned a Bachelor of Science degree in chemistry from the University of Buffalo and a master's degree in environmental engineering from Manhattan College; and

WHEREAS, Before beginning his career as a teacher, he worked as an environmental engineer in the field of municipal and industrial wastewater treatment; and

WHEREAS, David Sexton truly merits recognition by the Harvard Club of Long Island as a Distinguished Teacher of 2013; now, therefore be it

RESOLVED, That this Legislative Body pause in its deliberations to commend David Sexton upon the occasion of his designation by the Harvard Club of Long Island as a Distinguished Teacher of 2013; and be it further

RESOLVED, That a copy of this Resolution, suitably engrossed, be transmitted to David Sexton.
