1 Section 1. Short title. This act shall be known and may be cited as
2 the "Adirondack sportsmen's club preservation act".
3 S 2. Legislative findings. The legislature hereby finds that hunting
4 and fishing camps are an important fabric of the Adirondacks. Gener-
5 ations of families have been traveling to the Adirondacks to participate
6 in these important American pastimes. The economy of this area of the
7 state is dependent on tourism and recreational activities. It is esti-

9 local economy from members of sportsmen's clubs through the purchase of
10 goods and services. Not only is there an economic benefit from these
11 clubs, their members are true stewards of the land, and provide impor-
12 tant environmental and habitat preservation.
13 The provisions of this act, in the case of the conveyance of privately
14 owned land to the state of New York when a sportsmen's club is located
15 upon such land, is intended to grant any such club the right of first
16 refusal to purchase or attain a long term lease of the land utilized by
17 the club and additional land including, but not limited to, a deeded
18 right of way at fair market value. Sportsmen's clubs shall be deemed to
19 retain exclusive access to and usage rights for hunting and fishing,
20 while allowing public access to the land for other recreational activ-
21 ities.
