51 1996, is amended and a new subdivision 4 is added to read as follows:

52 2. The collection of employers' contributions shall be made as  
53 follows:

54 a. Upon the basis of each actuarial determination and appraisal  
55 provided herein, the retirement board shall annually prepare and certify  
56 to the commissioner [of education] a statement of the total amount

1 necessary to be paid by all employers for the ensuing fiscal year to the  
2 pension accumulation and expense funds as provided under subdivision two  
3 of section five hundred seventeen and under section five hundred nine-  
4 teen of this article. Upon the basis of the rate of contribution for  
5 supplemental retirement allowances, determined in accordance with  
6 section five hundred thirty-two of this article, the retirement board  
7 shall certify to the commissioner [of education] a statement of the  
8 total amount necessary to be paid by all employers for the ensuing  
9 fiscal year to the supplemental retirement allowance fund. Said certif-  
10 ication shall include interest on amounts necessary to repay advances  
11 made to the supplemental retirement allowance fund pursuant to subdivi-  
12 sion f of section five hundred thirty-two of this article computed from  
13 the date of such advances at the rate determined in accordance with  
14 paragraph f of this subdivision.

15 b. The commissioner [of education] shall include in the certificate  
16 which he files with the state comptroller showing the amount of state  
17 funds apportioned to the school districts within each county for the  
18 support of common schools, a statement showing the amount to be contrib-  
19 uted by each employer in each of such counties as required under this  
20 article.

21 The amount to be contributed by each employer except those who operate  
22 local district pension systems, shall be such percentage of the total  
23 compensation or salaries of all teachers in his employ who are members  
24 of the retirement system as the aggregate amount of the normal and defi-  
25 ciency contributions for the year shall bear to the total compensation  
26 or salaries paid by all employers, except those who operate local  
27 district pension systems, to all teachers who are members of the retire-  
28 ment system; PROVIDED, HOWEVER, THAT THE AMOUNT REMITTED BY SUCH EMPLOY-  
29 ER SHALL BE SUBJECT TO THE CONTRIBUTION LIMITS ESTABLISHED IN SUBDIVI-  
30 SION FOUR OF THIS SECTION.

31 c. The comptroller shall issue his warrant to the custodian of such  
32 fund directing such custodian to credit to the pension accumulation fund  
33 and expense fund respectively, from the appropriation for the support of  
34 common schools the amounts required to be made as contributions to such  
35 funds by the employers as shown by the certificate of the commissioner  
36 [of education] filed with him as directed in paragraph b of this subdivi-  
37 sion, BUT SUBJECT TO THE CONTRIBUTION LIMIT ESTABLISHED PURSUANT TO  
38 SUBDIVISION FOUR OF THIS SECTION.

39 d. The comptroller, in issuing his warrant to the custodian for  
40 payment to each county treasurer of that portion of the moneys appor-  
41 tioned for the support of common schools, shall deduct therefrom an  
42 amount equal to the amount required to be contributed by employers of  
43 such county, as shown by the certificate of the commissioner [of educa-  
44 tion] of this state filed with the comptroller as required by paragraph  
45 b of this subdivision, BUT SUBJECT TO THE CONTRIBUTION LIMIT ESTABLISHED  
46 PURSUANT TO SUBDIVISION FOUR OF THIS SECTION.

47 e. In order to meet the financial requirements of this article,  
48 employers who obtain funds directly by taxation are hereby authorized  
49 and directed to levy annually such additional taxes as are required to  
50 provide the [funds deducted from the amounts apportioned to such employ-  
51 ers from the appropriation of the state for the support of the common  
52 schools] EMPLOYER'S CONTRIBUTION AMOUNT AS DETERMINED PURSUANT TO SUBDI-  
53 VISION FOUR OF THIS SECTION.

54 f. Employers whose payments from the moneys apportioned from the state  
55 for the support of common schools are insufficient to pay the EMPLOYER'S  
56 PORTION OF THE amount due and owing the system, or who do not receive

1 such payments, shall pay the system each year the amount of contrib-  
2 utions due and owing from the employer, SUBJECT TO THE CONTRIBUTION  
3 LIMIT ESTABLISHED PURSUANT TO SUBDIVISION FOUR OF THIS SECTION, pursuant  
4 to this article within thirty days from the date a bill is mailed by the  
5 system. Interest, at a rate equal to the average yield payable on  
6 fifty-two week United States treasury bills on June thirtieth immediate-  
7 ly preceding the day the bill is mailed by the system, shall accrue on  
8 the EMPLOYER'S PORTION OF THE outstanding amount due and owing commenc-  
9 ing with the thirty-first day after the bill is mailed.

10 g. Whenever the system determines the contributions made by an employ-  
11 er are less than the percentage of total compensation or salaries of  
12 members of the system in the employ of such employer, as required by  
13 this article, such employer shall pay the system such deficiency within  
14 thirty days from the date a bill is mailed by the system, PROVIDED SUCH  
15 DEFICIENCY AMOUNT DOES NOT CAUSE THE EMPLOYER TO PAY MORE THAN THE MAXI-  
16 MUM REQUIRED CONTRIBUTION AMOUNT CALCULATED PURSUANT TO SUBDIVISION FOUR  
17 OF THIS SECTION. Interest, at a rate equal to the average yield payable  
18 on fifty-two week United States treasury bills on June thirtieth imme-  
19 diately preceding the day before the bill is mailed by the system, shall  
20 accrue on the EMPLOYER'S PORTION OF THE outstanding amount due and owing  
21 commencing with the thirty-first day after the bill is mailed.

22 h. Notwithstanding any provision of law to the contrary, commencing  
23 with the payments made in the fiscal year beginning July first, nineteen  
24 hundred ninety, and each fiscal year thereafter, the employer contrib-  
25 utions due and payable as determined pursuant to the provisions of this  
26 article and the employee contributions due and payable pursuant to this  
27 article and articles fourteen and fifteen of the retirement and social  
28 security law, on account of compensation paid in the fiscal year imme-  
29 diately preceding, and those employer contributions due and payable in  
30 each fiscal year pursuant to chapter six hundred sixty-five of the laws  
31 of nineteen hundred eighty-four shall be made to the retirement system  
32 and collected in the manner set forth in this section each fiscal year  
33 in three payments, each equal to thirty-three and one-third percent of  
34 the total amount due for such fiscal year. Such payments shall be paid  
35 on September fifteenth, October fifteenth, and November fifteenth of  
36 each fiscal year. If a participating employer underpaid its obligation  
37 to the retirement system, such underpayment as determined by the retire-  
38 ment system shall be deducted from the amounts apportioned to such  
39 employer from the appropriation of the state for the support of the  
40 common schools due and payable the next April fifteenth. Employers whose  
41 payments from such appropriation are insufficient to pay the amount due  
42 and owing the system, or who do not receive such payments, shall be  
43 billed by the system for such underpayment and shall pay the system the  
44 amount due within thirty days from the date a bill is mailed by the  
45 system. The amount of any employer overpayment of its obligation to the  
46 retirement system, as determined by such system shall be a credit to the  
47 employer and shall reduce by an equal amount thereof the initial payment  
48 to be made by such employer to such system on the next succeeding  
49 September fifteenth.

50 i. Notwithstanding any provision of law to the contrary, the employer  
51 and employee contributions due and payable in the nineteen hundred  
52 eighty-nine--ninety fiscal year on account of compensation paid in the  
53 nineteen hundred eighty-eight--eighty-nine fiscal year which were paid  
54 prior to April first, nineteen hundred ninety shall be deemed (to the  
55 extent such amount is sufficient) to have consisted of all the employee  
56 contributions due and payable pursuant to this article and articles

1 fourteenth and fifteen of the retirement and social security law in the  
2 nineteen hundred eighty-nine--ninety fiscal year and those employer  
3 contributions due and payable in such fiscal year pursuant to chapter  
4 six hundred sixty-five of the laws of nineteen hundred eighty-four; and  
5 the remaining employer contributions so paid shall be applied evenly to  
6 the payments due and payable on September fifteenth, nineteen hundred  
7 ninety, October fifteenth, nineteen hundred ninety and November  
8 fifteenth, nineteen hundred ninety and the employer contributions  
9 amounting to eight hundred seventy-three million seven hundred eleven  
10 thousand six hundred fifteen dollars (\$873,711,615), due and payable  
11 pursuant to the provisions of this section in the nineteen hundred  
12 eighty-nine--ninety fiscal year on account of compensation paid in nine-  
13 teen hundred eighty-eight--eighty-nine fiscal year, except those employ-  
14 er contributions due and payable in such fiscal year pursuant to chapter  
15 six hundred sixty-five of the laws of nineteen hundred eighty-four,  
16 shall be deferred and payment shall be made to the retirement system in  
17 fifteen equal annual payments of ninety-eight million five hundred thir-  
18 ty-seven thousand five hundred seven dollars (\$98,537,507) on October  
19 fifteenth, commencing on October fifteenth, nineteen hundred ninety.  
20 Such payments are calculated at an interest rate of eight percent per  
21 annum. Provided, however, the retirement board is directed to permit the  
22 pre-payment of the amounts outstanding under this paragraph. The retire-  
23 ment board shall: (1) On or before September first, nineteen hundred  
24 ninety, in addition to the amount due for the current fiscal year bill-  
25 ing and for the payment of the amortized annual installment, furnish the  
26 total amount due and be authorized to accept pre-payment in full of said  
27 amount by October fifteenth, nineteen hundred ninety. (2) On or before  
28 each September first thereafter, in addition to the amount due for the  
29 current fiscal year billing and for the payment of the annual amortized  
30 installment, furnish the total amount still outstanding and be author-  
31 ized to accept the pre-payment of any portion of the balance remaining  
32 to be paid by October fifteenth of that year.

33 j. Prior to June first, nineteen hundred ninety, the valuation rate of  
34 interest adopted by the retirement board on April twenty-seventh, nine-  
35 teen hundred eighty-nine, may be retroactively revised to eight percent  
36 by the retirement board, as recommended by the actuary, as if adopted at  
37 the April twenty-seventh, nineteen hundred eighty-nine board meeting,  
38 and the employer contribution rate, adopted by the retirement board at  
39 the April twenty-seventh, nineteen hundred eighty-nine board meeting,  
40 revised by the retirement board at the July twenty-seventh, nineteen  
41 hundred eighty-nine board meeting, may be retroactively amended by the  
42 retirement board as if adopted at the July twenty-seventh, nineteen  
43 hundred eighty-nine board meeting and applied to contributions paid in  
44 the nineteen hundred ninety--ninety-one fiscal year. Notwithstanding any  
45 provision of law to the contrary, the actions of the retirement board  
46 pursuant to the provisions of this paragraph shall be deemed reasonable,  
47 prudent and proper. No member of the retirement board, officer, or  
48 employee of the New York state teachers' retirement system shall incur  
49 or suffer any liability whatsoever by reason of any actions pursuant to  
50 this paragraph, and such system shall save harmless and indemnify all  
51 members of the retirement board, its officers and employees from finan-  
52 cial loss arising out of any claim, demand, suit, action or judgment as  
53 a result of the actions taken pursuant to this paragraph provided that  
54 such person shall, within five days after the date on which he is served  
55 with any summons, complaint, process, notice, demand, claim or pleading,  
56 deliver the original or a true copy thereof to the legal advisor of such

1 system. Upon such delivery, the legal advisor of such system may assume  
2 control of the representation of such person in connection with such  
3 claim, demand, suit, action or proceeding. Such person shall cooperate  
4 fully with the legal advisor of the system or any other person desig-  
5 nated to assume such defense in respect of such representation or  
6 defense.

7 k. The retirement board is authorized to adopt procedures and/or to  
8 promulgate rules and regulations as it deems necessary to adjust and  
9 reconcile any payments from employers to actual amounts due whether such  
10 payments were received prior or subsequent to the effective date of  
11 [the] chapter ONE HUNDRED SEVENTY-FIVE of the laws of nineteen hundred  
12 ninety [which added this paragraph to this section].

13 l. The provisions of paragraphs h and i of this subdivision shall  
14 constitute a contract and the rights of the New York state teachers'  
15 retirement system thereunder shall not be impaired in any way whatsoev-  
16 er.

17 m. In addition to any other payment or collection procedure provided  
18 by this article, if the amounts credited from the appropriation for the  
19 support of common schools are insufficient to fully cover the amounts to  
20 be contributed by the employers, SUBJECT TO THE EMPLOYER'S CONTRIBUTION  
21 LIMIT ESTABLISHED PURSUANT TO SUBDIVISION FOUR OF THIS SECTION, the  
22 retirement board is authorized to certify the unpaid amount OF THE  
23 EMPLOYER'S CONTRIBUTION to the state comptroller, and the state comp-  
24 troller shall, to the extent not otherwise prohibited by law, withhold  
25 such amount from any succeeding payment from any other form of state aid  
26 provided to the employer. If any employer fails to pay the amounts  
27 required to be contributed pursuant to this section, the retirement  
28 system shall be entitled to reasonable attorney fees and other expenses  
29 incurred to collect such amounts due and owing. Fees shall be determined  
30 pursuant to prevailing market rates for the kind and quality of the  
31 services furnished.

32 n. Notwithstanding any other provision of law to the contrary, the  
33 board of education or trustees of a school district which is a partic-  
34 ipating employer, which has elected to make payments of the employer  
35 contributions due and payable to the retirement system pursuant to para-  
36 graph i of this subdivision in amortized annual installments, and which  
37 has determined to make pre-payment of the total amount of such contrib-  
38 utions outstanding in accordance with said paragraph i, may adopt a bond  
39 resolution authorizing the refinancing of such debt by the issuance of  
40 bonds in the amount of such pre-payment without conducting a vote on a  
41 tax to be collected in installments, provided that such refinancing will  
42 result in savings to the school district, as certified by the state  
43 comptroller, and provided further that the issuance of such obligations  
44 otherwise complies with the requirements of the local finance law and  
45 this chapter.

46 4. A. NOTWITHSTANDING THE PROVISIONS OF THIS SECTION, AN EMPLOYER  
47 SHALL NOT BE REQUIRED TO CONTRIBUTE MORE THAN THE PRIOR PLAN YEAR'S  
48 EMPLOYER CONTRIBUTION PLUS THE LESSER OF: TWO PERCENT OR THE PERCENTAGE  
49 SET FORTH IN PARAGRAPH D OF THIS SUBDIVISION.

50 B. ANY DIFFERENCE BETWEEN THE AMOUNT CONTAINED IN THE WARRANT ISSUED  
51 BY THE COMPTROLLER PURSUANT TO SUBDIVISION TWO OF THIS SECTION AND THE  
52 MAXIMUM AMOUNT REQUIRED TO BE PAID BY THE EMPLOYER PURSUANT TO THIS  
53 SUBDIVISION SHALL BE APPROPRIATED TO THE RETIREMENT SYSTEM OUT OF MONEYS  
54 IN THE GENERAL FUND OF THE STATE.

55 C. THE MONEYS APPROPRIATED BY THE STATE FROM THE GENERAL FUND IN  
56 ACCORDANCE WITH THIS SUBDIVISION SHALL BE PAID BY THE STATE TO THE

1 RETIREMENT SYSTEM ON OR BEFORE THE FIFTEENTH OF NOVEMBER IN THE FISCAL  
2 YEAR IN WHICH THE MONEYS ARE DUE AND PAYABLE BY THE PARTICIPATING  
3 EMPLOYER.

4 D. THE PERCENTAGE REFERRED TO IN PARAGRAPH A OF THIS SUBDIVISION  
5 SHALL BE DETERMINED ANNUALLY BY REFERENCE TO THE CONSUMER PRICE INDEX  
6 (ALL URBAN CONSUMERS, CPI-U, U.S. CITY AVERAGE, ALL ITEMS, 1982-84=100),  
7 PUBLISHED BY THE UNITED STATES BUREAU OF LABOR STATISTICS, FOR EACH  
8 APPLICABLE CALENDAR YEAR. SAID PERCENTAGE SHALL EQUAL THE ANNUAL  
9 INFLATION, AS DETERMINED FROM THE INCREASE IN THE CONSUMER PRICE INDEX  
10 IN THE ONE YEAR PERIOD ENDING THE THIRTIETH OF JUNE OF THE CURRENT  
11 YEAR'S ACTUARIAL REQUIRED CONTRIBUTION. SAID PERCENTAGE SHALL THEN BE  
12 ROUNDED UP TO THE NEXT HIGHER ONE-TENTH OF ONE PERCENT.

13 E. FOR PURPOSES OF THIS SUBDIVISION, "ACTUARIAL REQUIRED CONTRIBUTION"  
14 MEANS THE AMOUNT COMPUTED BY THE ACTUARY, AS SET FORTH IN SECTION FIVE  
15 HUNDRED SEVENTEEN OF THE EDUCATION LAW.

16 F. FOR PURPOSES OF THIS SUBDIVISION, THE BASE YEAR FOR THE INITIAL  
17 CALCULATION OF LIMITED EMPLOYER CONTRIBUTIONS PURSUANT TO PARAGRAPH A OF  
18 THIS SUBDIVISION SHALL BE THE AMOUNT PAID BY THE EMPLOYER IN THE PLAN  
19 YEAR ENDING THE THIRTIETH OF JUNE, TWO THOUSAND FOURTEEN. THE EMPLOYER  
20 CONTRIBUTION CAP IMPOSED BY THIS SUBDIVISION SHALL COMMENCE WITH EMPLOY-  
21 ER CONTRIBUTIONS DUE IN THE PLAN YEAR ENDING THE THIRTIETH OF JUNE, TWO  
22 THOUSAND FIFTEEN.

23 S 4. This act shall take effect immediately and shall apply to employ-  
24 er contributions made commencing in the employer's fiscal year ending  
25 2015.

FISCAL NOTE.-- This bill would amend Section 521 of the Education Law to limit the amount of year over year increase in employer contributions required to be made each year to the New York State Teachers' Retirement System (NYSTRS) by participating employers. Participating employers of NYSTRS would not be required to contribute more than the prior year's contribution amount increased by the lesser of two percent, or a percentage based upon the one year increase in the Consumer Price Index (CPI). Any difference in the actuarially required contribution and this limited contribution would be paid by the State of New York out of the General Fund of the state. The employer contribution cap imposed under this bill would commence with employer contributions made in the fiscal year ending June 30, 2015.

To the extent that the actuarially required employer contribution continues to be paid in full and on time to the Retirement System every year, there will be no cost to the employers of members of NYSTRS if this bill is enacted. This bill would make the State of New York into a contributing partner to NYSTRS.

The actuarially required contribution is based upon a number of actuarial assumptions, member demographic data, and investment returns. The rate of increase in this contribution can be expected to bear very little relationship to the rate of inflation. Therefore the required contribution due from the state could grow substantially in any given year.

The first year the employer contribution cap would be applied would be with respect to contributions due in the plan year ending June 30, 2015, which for NYSTRS corresponds to contributions collected in the fall of 2014. We estimate the State of New York would be required to make a payment of approximately \$640 million at that time for its share of the contribution. In the fall of 2015 we estimate the state would be required to make a payment of approximately \$170 million for its share of the contribution. The state's cost in future years would depend on

the actuarially required contribution and the rate of inflation in those years.

FISCAL NOTE.-- This bill would limit the year to year increase in the dollar amount of the annual employer contributions to be made by participating employers of the New York State and Local Employees' Retirement System (NYSLERS), the New York State and Local Police and Fire Retirement System (NYSLPFRS) and the New York State Teachers' Retirement System. Such dollar increase in the actuarially determined contributions would be limited to the lesser of 2% and the increase in the Consumer Price Index (CPI-U), as determined by the United States Department of Labor. The difference between the actuarially determined contributions and the limited contributions would be paid by the State of New York on behalf of the participating employers. This change shall first apply to contributions made during the fiscal year ending in the year 2015.

If this bill is enacted, insofar as it would affect the NYSLERS and the NYSLPFRS, it is unlikely that there would be an additional contribution payable by the State of New York on behalf of most of the participating employers for the fiscal year ending March 31, 2015. However, there could be costs on behalf of certain participating employers whose payroll increases were significantly greater than our salary increase assumptions or who adopted significant plan improvements. The costs for future years would depend on each year's actuarially determined contributions, increases in employer payroll, and CPI.

There would be no cost to the Systems.
