2     The former Calverton Naval Weapons Industrial Reserve Plant in the  
3     Town of Riverhead, county of Suffolk, now known as the Enterprise Park  
4     at Calverton (hereinafter "EPCAL"), was formerly owned by the Navy and  
5     leased by the Grumman Corporation. In 1998, Northrop Grumman closed

18 to recapture potential investment, growth and employment opportunities  
19 for this region.

20 It is the purpose of this act to promote the expeditious and orderly  
21 conversion and redevelopment of EPCAL for uses consistent with an urban  
22 renewal plan adopted by the town in order to prevent further blight,

(b) After the adoption of the EPCAL reuse and revitalization plan by the town and issuance of all local licenses or permits pursuant to section four of this act, the town board shall have jurisdiction to determine whether an application for a license or permit in the EPCAL redevelopment area is complete for purposes of review for conformity by all involved local agencies pursuant to subdivision 2 of this section.

2. The town board shall refer an application for a permit for a proposed action in the EPCAL redevelopment area to all relevant state and local agencies within ten days of receipt of a complete application by the town board. Each such state and local agency shall determine whether the application for a permit for the proposed action is in conformance with the plan and the thresholds or conditions identified in the GEIS and section four of this act within sixty days of the referral by the town board.

3. After the expiration of the sixty days and within ninety days of receipt of a complete application, the town board shall make final written findings and determinations. Such determination shall detail the findings of the state and local agencies including whether the proposed action is in conformance with the EPCAL reuse and revitalization plan. If the town board fails to make a final determination of conformance for local agency licenses or permits within the ninety day period, the development application shall be deemed approved for local agency

1 licenses and permits, unless said time is extended by the mutual consent  
2 of the applicant and the town board, not to exceed an additional sixty  
3 days.

5 all existing applicable state and local requirements for such action,
