2013-2014 Regular Sessions

IN SENATE

April 30, 2013

Introduced by Sen. MAZIARZ -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT directing the New York state energy research and development authority to conduct an analysis of the potential impacts of participation in the Regional Greenhouse Gas Initiative by out of state generators

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

 Section 1. The New York state energy research and development authority shall, within ninety days of the effective date of this act, issue a request for proposals to conduct an analysis of the potential impacts of participation in the Regional Greenhouse Gas Initiative by out of state generators and also a cost benefit analysis of all of the programs associated with the program as it currently operates. Such analysis shall include but not be limited to the following:

- 1. An analysis of the feasibility and potential impacts, including those on competitive markets and possible methodologies that could be employed to either require out of state generators who export power to the state to participate in the auction associated with the Regional Greenhouse Gas Initiative or impose charges on such power, or utilize other methods to ensure equitable treatment for generators operating inside and outside the state; and
- 2. An examination of the costs associated with the Regional Greenhouse Gas Initiative, including a breakdown in the aggregate of the allowances purchased organized by county of origin, as well as a specific breakdown of the money spent from all of the programs associated with the Regional Greenhouse Gas Initiative, including financial assistance provided and projects constructed in each region since the inception of each program, and a comprehensive analysis of jobs lost and gained as a result of the programs associated with the charges associated with the auction and the
