4 ment and social security law relating to establishing police and fire  
5 retirement provisions, is amended by adding a new section 8-a to read as  
6 follows:

7 S 8-A. NOTWITHSTANDING ANY OTHER PROVISION OF LAW TO THE CONTRARY ANY  
8 MEMBER OF THE NEW YORK STATE POLICE AND FIRE RETIREMENT SYSTEM WHO

14 2009 AND BEFORE JANUARY 10, 2010.

15 S 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant that an individual who became a Tier 3 or a Tier  
5 member of the New York State and Local Police and Fire Retirement  
System (PFRS) and whose employer has elected to provide the provisions  
of Section 384-d, and who is not subject to a collective bargaining  
agreement, would no longer be required to make mandatory employee  
contributions.

This bill would also allow a small number of individuals who became  
members of the PFRS on or after July 1, 2009 and before January 9, 2010  
and who did not timely file an application to become covered under the  
provisions of Section 384-d within the one year required filing period  
to file for such coverage.

Further, this bill would amend Chapter 604 of the Laws of 2009 to  
allow an individual who became a member of PFRS on or after July 1, 2009  
and before January 10, 2010 to join a special retirement plan open to  
him or her pursuant to a collective bargaining agreement in effect on or  
after July 1, 2009 and before January 10, 2010. Such members who elect  
coverage under Article 22 of the Retirement and Social Security Law will  
not be required to make employee contributions.

If this bill is enacted, we anticipate that the employers of such  
members who are covered under PFRS special retirement contributory plans  
would see an increase in their annual contributions for the fiscal year  
ending March 31, 2014 of approximately 4.4% of the annual salaries.

In addition to these costs, there would be future annual costs which  
would be borne by any employer of a member who would become eligible to  
file for Section 384-d coverage. These costs would depend on the current  
plan coverage and salaries of affected members. There would also be a  
past service cost for each such member, which would depend on the age,  
service, salary and plan coverage of the member. These past service  
costs would be borne by all the employers in the PFRS.
