AN ACT in relation to authorizing the public service commission, upon
application by a municipality, to order costs for infrastructure main-
tenance and access to be charged to all customer classes located in
such municipality

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-
BLY, DO ENACT AS FOLLOWS:

1 Section 1. 1. Notwithstanding any law to the contrary, a municipality
2 may apply to the public service commission to have any costs for infras-
3 tructure maintenance and access it is charged by a water-works corpo-
4 ration to instead be charged to all customers across all customer class-
5 es located in the municipality provided the municipality adopts a local
6 law to have such costs charged to all customers across all customer
7 classes. Any savings achieved as a result of this action shall be
8 applied to the property tax levy of the municipality which has adopted
9 such a resolution in an amount equal to such savings in the following
10 fiscal year. Within 120 days after receiving an application pursuant to
11 this act, the public service commission is empowered and directed to
12 issue an order requiring that costs for infrastructure maintenance and
13 access be included in the rates charged to all customer classes and
14 apportioned among all customers located in the municipality and that
15 such municipality shall not be charged separately or additionally for
16 costs for infrastructure maintenance and access. The public service
17 commission shall have the power to request any information that it may
18 deem necessary from the water-works corporation or municipality so that
19 it may issue an order as required by this section and may require that
20 such information or application be in the form and manner as the commis-
21 sion may request.
22 2. Definitions. For purposes of this act:
