AN ACT to direct the commissioner of education to establish an online learning advisory committee to make recommendations on establishing a statewide online and blended learning program

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1     Section 1. Legislative intent. The legislature recognizes that there  
2     is a demonstrated need to reevaluate the delivery of education in New  
3     York state in light of educational advancements and a more technolog-  
4     ically driven economy. In light of academic discrepancies for those in  
5     the most rural and underrepresented areas within the state as well as  
6     the unstable economic times, we believe that there is a need to advance  
7     emerging technologies and the potential for implementation of a state-  
8     wide online and blended learning program. This will provide an opportu-  
9     nity to highlight the state's most successful programs and make them  
10    universally accessible. A statewide online and blended learning program  
11    will not only have the potential to provide equal educational opportu-  
12    nities to the most remote areas of the state, but help all students as  
13    they transition into a competitive marketplace.

14    S 2. The commissioner of education, in consultation with the New York  
15    state broadband program office of the empire state development corpo-  
16    ration, the New York state energy research and development authority and  
17    the public service commission, shall establish an online learning advi-
