28 (i) If a participating municipality has elected to provide assessment

52 (v) If the property lost at least fifty but less than sixty percent of

(x) If the property lost one hundred percent of its improved value due to severe weather, the assessed value attributable to the improvements shall be reduced by one hundred percent for purposes of the participating municipality on the impacted tax roll.

(xi) The percentage loss in improved value for this purpose shall be determined by the assessor in the manner provided by this act, subject to review by the board of assessment review.

(xii) No reduction in assessed value shall be granted pursuant to this act except as specified above for such counties. No reduction in assessed value shall be granted pursuant to this section for purposes of any county, city, town, village or school district which has not adopted the provisions of this act.

(b) To receive such relief pursuant to this section, the property owner shall submit a written request to the assessor on a form approved by the director of the state office of real property tax services within ninety days following the date upon which this act is approved by the governor. Such request shall describe in reasonable detail the damage caused to the property by severe weather and the condition of the property following the severe weather and shall be accompanied by supporting documentation, if available.

(c) Upon receiving such a request, the assessor shall make a finding, as to whether the property lost at least fifty percent of its improved value or, if a participating municipality has elected to provide assessment relief for real property that lost a lesser percentage of improved value, such lesser percentage of its improved value as a result of severe weather, and thereafter the assessor, shall adopt or classify the percentage loss of improved value within one of the following ranges:

(i) If a participating municipality has elected to provide assessment relief for real property that lost at least ten percent but less than twenty percent of its improvement value due to severe weather, at least ten percent but less than twenty percent,

(iii) If a participating municipality has elected to provide assessment relief for real property that lost at least thirty percent but less than forty percent of its improved value due to severe weather, at least thirty percent but less than forty percent,

1 (iv) If a participating municipality has elected to provide assessment  
2 relief for real property that lost at least forty percent but less than  
3 fifty percent of its improved value due to severe weather, at least  
4 forty percent but less than fifty percent,  
5 (v) At least fifty percent but less than sixty percent,  
6 (vi) At least sixty percent but less than seventy percent,  
7 (vii) At least seventy percent but less than eighty percent,  
8 (viii) At least eighty percent but less than ninety percent,  
9 (ix) At least ninety percent but less than one hundred percent, or  
10 (x) one hundred percent.

11 (d) The assessor shall mail written notice of such finding to the  
12 property owner and the participating municipality. Where the assessor  
13 finds that the loss in improved value is less than fifty percent or, if  
14 a participating municipality has elected to provide assessment relief  
15 for real property located within such participating municipality for a  
16 lesser percentage, is less than such lesser percentage, or classifies  
17 the loss within a lower range than the property owner believes is  
18 warranted, the property owner may file a complaint with the board of  
19 assessment review. Such board shall reconvene upon ten days written  
20 notice to the property owner and assessor to hear the appeal and deter-  
21 mine the matter, and shall mail written notice of its determination to  
22 the assessor and property owner. The provisions of article 5 of the real  
23 property tax law shall govern the review process to the extent practica-  
24 ble. For the purposes of this act only, the applicant may commence with-  
25 in 30 days of service of a written determination, a proceeding under  
26 title 1 of article 7 of the real property tax law, or, if applicable,  
27 under title 1-A of article 7 of the real property tax law. Sections 727  
28 and 739 of the real property tax law shall not apply.

29 (e) Where property has lost at least fifty percent of its improved  
30 value or, if a participating municipality has elected to provide assess-  
31 ment relief for real property that lost a lesser percentage of improved  
32 value, such lesser percentage due to severe weather, the assessed value  
33 attributable to the improvements on the property on the impacted assess-  
34 ment roll shall be reduced by the appropriate percentage specified in  
35 subdivision (a) of this section, provided that any exemptions which the  
36 property may be receiving shall be adjusted as necessary to account for  
37 such reduction in the total assessed value. To the extent the total  
38 assessed value of the property originally appearing on such roll exceeds  
39 the amount to which it should be reduced pursuant to this act, the  
40 excess shall be considered an error in essential fact as defined by  
41 subdivision 3 of section 550 of the real property tax law. If the error  
42 appears on a tax roll, the tax roll shall be corrected in the manner  
43 provided by section 554 of the real property tax law or a refund or  
44 credit of taxes shall be granted in the manner provided by section 556  
45 or section 556-b of the real property tax law. If the error appears on a  
46 final assessment roll but not on a tax roll, such final assessment roll  
47 shall be corrected in the manner provided by section 553 of the real  
48 property tax law. The errors in essential fact found pursuant to the  
49 Montgomery county assessment relief act on either the tax roll or final  
50 assessment roll, upon application to the county director of real proper-  
51 ty tax services, shall be forwarded by the county director of real prop-  
52 erty tax services immediately to the levying body for an immediate order  
53 setting forth the appropriate correction.

54 (f) The rights contained in this act shall not otherwise diminish any  
55 other legally available right of any property owner or party who may  
56 otherwise lawfully challenge the valuation or assessment of any real

1 property or improvements thereon. All remaining rights hereby remain and  
2 shall be available to the party to whom such rights would otherwise be  
3 available notwithstanding this act.

4 S 5. The commissioner of taxation and finance is authorized to develop  
5 a guidance memorandum for use by assessing units. Such guidance memoran-  
6 dum shall assist with the implementation of this act and shall be deemed  
7 to be advisory on all assessing units in counties which implement the  
8 provisions of this act. The guidance memorandum shall have no force or  
9 effect or serve as authority for any other act of assessing units or of  
10 the interpretation or implementation of the laws of the state of New  
11 York except as they relate to the specific implementation of this act.

12 S 6. School districts held harmless. Each school district that is  
13 wholly or partially contained within an eligible county shall be held  
14 harmless by the state for any reduction in state aid that would have  
15 been paid as tax savings pursuant to section 1306-a of the real property  
16 tax law incurred due to the provisions of this act.

17 S 7. Bonds authorized. Serial bonds, and in advance of such, bond  
18 anticipation notes, are hereby authorized pursuant to subdivision 33-c  
19 of paragraph a of section 11.00 of the local finance law, provided,  
20 however, that any federal community development block grant funding  
21 received by such participating municipality, in relation to loss of  
22 property tax funding, shall first be used to defease, upon maturity, the  
23 interest and principal of any such bond or note so outstanding.

24 S 8. Paragraph a of section 11.00 of the local finance law is amended  
25 by adding a new subdivision 33-c to read as follows:

26 33-C. REAL PROPERTY TAX REFUNDS AND CREDITS. PAYMENTS OF EXEMPTIONS,  
27 REFUNDS, OR CREDITS FOR REAL PROPERTY TAX, SEWER AND WATER RENTS, RATES  
28 AND CHARGES AND ALL OTHER REAL PROPERTY TAXES TO BE MADE BY A MUNICI-  
29 PALITY, SCHOOL DISTRICT OR DISTRICT CORPORATION AS A RESULT OF PARTIC-  
30 IPATING IN THE MOHAWK VALLEY AND NIAGARA COUNTY ASSESSMENT RELIEF ACT,  
31 TEN YEARS.

32 S 9. Severability clause. If any clause, sentence, paragraph, subdivi-  
33 sion, section or part of this act shall be adjudged by any court of  
34 competent jurisdiction to be invalid, such judgment shall not affect,  
35 impair, or invalidate the remainder thereof, but shall be confined in  
36 its operation to the clause, sentence, paragraph, subdivision, section  
37 or part thereof directly involved in the controversy in which such judg-  
38 ment shall have been rendered. It is hereby declared to be the intent of  
39 the legislature that this act would have been enacted even if such  
40 invalid provisions had not been included herein.

41 S 10. This act shall take effect immediately and shall be deemed to  
42 have been in full force and effect on and after June 20, 2013.
