33 and purpose of this subsection would be evaded.

34 S 37. Subsection (p) of section 612 of the tax law, as amended by  
35 chapter 28 of the laws of 1987, is amended to read as follows:

36 (p) New business investment deferral. For taxable years beginning  
37 before January first, nineteen hundred eighty-eight, at the option of  
38 the taxpayer, there may be subtracted from federal adjusted gross income  
39 a reinvested amount of long-term capital gain realized in a taxable year  
40 from the sale of a capital asset, as such term is defined in section  
41 1221 of the internal revenue code, which is not a new business invest-  
42 ment. A reinvested amount of long-term capital gain shall mean an amount  
43 which bears the same ratio to the long-term capital gain realized from  
44 the sale of a capital asset which was includable in New York adjusted  
45 gross income as that portion of the sale proceeds which is reinvested,  
46 within one year from date of sale, in a New York new business bears to  
47 the total sale proceeds. For the purposes of this subsection, a New York  
48 new business is a business enterprise which (1) has been a taxpayer  
49 under this article for no more than three taxable years (including short  
50 taxable years), (2) over fifty percent of the number of shares of stock  
51 that entitle the holders thereof to vote for the election of directors  
52 or trustees is not owned, directly or indirectly, by a taxpayer subject  
53 to tax under section one hundred eighty-three, one hundred eighty-  
54 four[, ] OR one hundred eighty-five [or one hundred eighty-six of article  
55 nine] of this chapter, or under article nine-A, thirty-two or thirty-  
56 three of this chapter, (3) is not substantially similar in operation or

1 ownership, directly or indirectly, to a business entity (or entities)  
2 taxable, or previously taxable, under such sections, such articles,  
3 [article twenty-three] or which would have been subject to [tax under  
4 article twenty-three (as such article was in effect on January first,  
5 nineteen hundred eighty) or] the income (or losses) of which is (or was)  
6 includable under THIS article [twenty-two] whereby the intent and  
7 purpose of this subsection would be evaded, (4) locates and employs at  
8 least ninety percent of its assets in the state, (5) employs principally  
9 in the state eighty percent of its employees (as ascertained within the  
10 meaning and intent of subparagraph three of paragraph (a) of subdivision  
11 three of section two hundred ten of this chapter and, in addition, in  
12 the case of a partnership, excluding partners), (6) derives less than  
13 forty percent of its gross income from dividends, interest, royalties  
14 (other than mineral, oil, or gas royalties or copyright royalties), and  
15 annuities and (7) reports at least twenty-five hundred dollars in gross  
16 income in any taxable year. The reinvested amount must qualify as a  
17 capital asset as defined in section 1221 of the internal revenue code  
18 and must be retained by the taxpayer for at least twelve months. The  
19 modification allowable under this subsection shall be utilized with  
20 respect to the taxable year in which the twelve month retention period  
21 ends. The commissioner [of taxation and finance] may require annual  
22 information reports on the investments in new businesses made pursuant  
23 to this subsection, and such other reports as he may require to ensure  
24 against the evasion of the intent and purposes of this subsection.

25 S 38. Subsection (g) of section 697 of the tax law, as amended by  
26 chapter 267 of the laws of 1987, is amended to read as follows:

28 standing the provisions of subsection (e) OF THIS SECTION, the tax  
29 commission may permit the proper city officer of any city of the state

51 local law, whether civil or criminal, where a written request therefor  
52 has been made to the commissioner [of taxation and finance] by such city  
53 officer or his delegate, provided the local law of such city grants  
54 substantially similar powers to such city officer or his delegate. Where  
55 the commissioner [of taxation and finance] has so authorized use of  
56 returns and other information in such actions or proceedings, officers

1 and employees of the department [of taxation and finance] may testify in  
2 such actions or proceedings in respect to such returns or other informa-  
3 tion.

25 deemed to have been collected in proportion to the amounts due, includ-  
26 ing tax, penalties, interest and additions to tax, under article twen-  
27 ty-two [or articles twenty-two and twenty-three] of this chapter and
