AN ACT making appropriations for the support of government

CAPITAL PROJECTS BUDGET

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. a) The several amounts specified in this chapter for capi-
2 tal projects, or so much thereof as shall be necessary to accomplish the
3 purpose of the appropriations, are appropriated by comprehensive
4 construction programs (hereinafter referred to by the abbreviation CCP),
5 purposes, and projects designated by the appropriations, and authorized
6 to be made available as hereinafter provided to the respective public

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets
[] is old law to be omitted.

1 officers; such appropriations shall be deemed to provide all costs
2 necessary and pertinent to accomplish the intent of the appropriations
3 and are appropriated in accordance with the provisions of section 93 of
4 the state finance law.

5 b) Any amounts specified in this chapter for advances for capital
6 projects, or so much thereof as shall be necessary to accomplish the
7 purpose of the appropriations, are appropriated by comprehensive
8 construction programs (hereinafter referred to by the abbreviation CCP),
9 purposes and projects designated by the appropriations as advances from
10 the capital projects fund in accordance with the provisions of sections
11 40-a and 93 of the state finance law, and are authorized to be paid as
12 hereinafter provided as an advance for a share, part or whole of the
13 cost for such programs, purposes and projects hereinafter specified.

14 c) The several amounts specified in this chapter as capital projects -
15 reappropriations, or so much thereof as shall be sufficient to accom-
16 plish the purpose of the appropriations, as appropriated by comprehen-
17 sive construction programs (hereinafter referred to by the abbreviation
18 CCP), purposes, and projects, being the undisbursed and/or unexpended
19 balances of the prior year's appropriations, are reappropriated and
20 unless otherwise amended or repealed in part or total in this chapter
21 shall continue to be available for the same purposes as the prior appro-
22 priations or as otherwise amended for the fiscal year beginning April 1,
23 2014.

24 The capital projects reappropriations contained in this chapter may be
25 amended by repealing the items set forth in brackets and by adding ther-
26 eto the underscored material. Certain reappropriations in this chapter
27 are shown using abbreviated text, with three leader dots (an ellipsis)
28 followed by three spaces (...) used to indicate where existing law
29 that is being continued is not shown. However, unless a change is clear-
30 ly indicated by the use of brackets [] for deletions and underscores
31 for additions, the purpose, amounts, funding source and all other
32 aspects pertinent to each item of appropriation shall be as last appro-
33 priated.

34 For the purpose of complying with section 25 of the state finance law,
35 the year, chapter and section of the last act reappropriating a former
36 original appropriation or any part thereof is, unless otherwise indi-
37 cated, chapter 54, section 1, of the laws of 2013.

38 d) No moneys appropriated by this chapter shall be available for
39 payment until a certificate of approval has been issued by the director
40 of the budget, who shall file such certificate with the department of
41 audit and control, the chairperson of the senate finance committee and
42 the chairperson of the assembly ways and means committee.

43 e) The appropriations contained in this chapter shall be available for
44 the fiscal year beginning on April 1, 2014 except as otherwise noted.

Water Quality Improvements

By chapter 55, section 1, of the laws of 2003:

For water resources purposes, shall be available for the state share of the costs of water quality improvement projects, as defined in section 56-0101 of the environmental conservation law, to implement the Long Island Sound Comprehensive Conservation Management Plan consistent with paragraph (b) of subdivision 1 of section 56-0303 of the environmental conservation law, and to implement wastewater treatment improvement projects in small upstate communities (09650357) ... 8,168,000 (re. \$619,000)

By chapter 54, section 1, of the laws of 2002:

For water resources purposes, shall be available for the state share of the costs of water quality improvement projects, as defined in section 56-0101 of the environmental conservation law, to implement the Long Island Sound Comprehensive Conservation Management Plan consistent with paragraph (b) of subdivision 1 of section 56-0303 of the environmental conservation law, and to implement wastewater treatment improvement projects in small upstate communities (09650257) ... 4,900,000 (re. \$668,000)

By chapter 54, section 1, of the laws of 1990, as amended by chapter 54, section 1, of the laws of 2002:

For the state share of the costs of construction of water quality improvement projects, including the payment of liabilities incurred prior to April 1, 1990, in accordance with the provisions of title 3 of article 51 of the environmental conservation law as amended, to provide state matching funds for projects scheduled to receive construction grants from federal fiscal years 1989 and 1990 funds, including costs incidental and appurtenant thereto, hereinafter referred to as "Water Quality Improvement Disbursements."

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for water quality improvement expenditures for eligible water quality improvement projects as defined by section 51-0303 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget. No such certificates of approval of availability shall be issued for or include funds for projects which have not received a federal grant for the construction of sewage treatment related facilities.

Notwithstanding the provisions of any general or special law, the amounts hereby appropriated shall have all disbursements reimbursed from the Pure Waters Bond Act proceeds authorizations and are contingent upon the partial repeal of existing capital projects fund authorizations elsewhere in this chapter. The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for Water Quality Improvement

sition of property and the payment of liabilities incurred prior to April 1, 2004. For the cost of the contract services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects. No funds shall be allocated for such purposes until the commissioner of transportation enters into an agreement subject to the approval of the director of the budget with any public or private entity for the repayment of 40 percent of each project's costs disbursed from such funds. Such agreement shall require repayment within 5 years of the date of acceptance of the project by the department of transportation except that the repayment may occur over a period of up to 10 years when total project costs exceed \$1,000,000. All projects must be approved by the director of the budget prior to the obligation of the moneys so appropriated.

The moneys so appropriated shall be made available pursuant to rules and regulations promulgated by the commissioner of transportation establishing the maximum amount of assistance to be provided for each project and the information that must be provided by the entity requesting assistance, establishing criteria for providing assistance from the moneys so appropriated and including standards for receiving of assistance including but not limited to the number of jobs created or maintained by the transportation improvement.

Notwithstanding any inconsistent provision of law, the commissioner of transportation may waive the requirement to repay 40 percent of the cost of a project provided that private funds are dedicated to the cost of such industrial access project and related economic development for at least 40 percent of the total cost of the industrial access project and related economic development and the industrial access portion of such project's cost is greater than \$2,000,000 (17060479) ... 5,400,000 (re. \$2,022,000)

13 be allocated for such purposes until the commissioner of transporta-
14 tion enters into an agreement subject to the approval of the direc-
15 tor of the budget with any public or private entity for the repay-
16 ment of 40 percent of each project's costs disbursed from such
17 funds. Such agreement shall require repayment within 5 years of the
18 date of acceptance of the project by the department of transporta-
19 tion except that the repayment may occur over a period of up to 10
20 years when total project costs exceed \$1,000,000. All projects must
21 be approved by the director of the budget prior to the obligation of
22 the moneys so appropriated.

23 The moneys so appropriated shall be made available pursuant to rules
24 and regulations promulgated by the commissioner of transportation
25 establishing the maximum amount of assistance to be provided for
26 each project and the information that must be provided by the entity
27 requesting assistance, establishing criteria for providing assist-
28 ance from the moneys so appropriated and including standards for
29 receiving of assistance including but not limited to the number of
30 jobs created or maintained by the transportation improvement.

31 Notwithstanding any inconsistent provision of law, the commissioner of
32 transportation may waive the requirement to repay 40 percent of the
33 cost of a project provided that private funds are dedicated to the
34 cost of such industrial access project and related economic develop-
