7 bonds to be issued when added to the aggregate principal amount of bonds
8 issued by the dormitory authority on and after July first, nineteen
9 hundred eighty-eight for state university educational facilities will
10 exceed ten billion [four] NINE hundred [twenty-two] EIGHTY-FOUR million
11 dollars; provided, however, that bonds issued or to be issued shall be
12 excluded from such limitation if: (1) such bonds are issued to refund
13 state university construction bonds and state university construction
14 notes previously issued by the housing finance agency; or (2) such bonds
15 are issued to refund bonds of the authority or other obligations issued
16 for state university educational facilities purposes and the present
17 value of the aggregate debt service on the refunding bonds does not
18 exceed the present value of the aggregate debt service on the bonds
19 refunded thereby; provided, further that upon certification by the
20 director of the budget that the issuance of refunding bonds or other
21 obligations issued between April first, nineteen hundred ninety-two and
22 March thirty-first, nineteen hundred ninety-three will generate long
23 term economic benefits to the state, as assessed on a present value
24 basis, such issuance will be deemed to have met the present value test
25 noted above. For purposes of this subdivision, the present value of the
26 aggregate debt service of the refunding bonds and the aggregate debt
27 service of the bonds refunded, shall be calculated by utilizing the true
28 interest cost of the refunding bonds, which shall be that rate arrived
29 at by doubling the semi-annual interest rate (compounded semi-annually)
30 necessary to discount the debt service payments on the refunding bonds
31 from the payment dates thereof to the date of issue of the refunding
32 bonds to the purchase price of the refunding bonds, including interest
33 accrued thereon prior to the issuance thereof. The maturity of such
34 bonds, other than bonds issued to refund outstanding bonds, shall not
35 exceed the weighted average economic life, as certified by the state
36 university construction fund, of the facilities in connection with which
37 the bonds are issued, and in any case not later than the earlier of
38 thirty years or the expiration of the term of any lease, sublease or
39 other agreement relating thereto; provided that no note, including
40 renewals thereof, shall mature later than five years after the date of
41 issuance of such note. The legislature reserves the right to amend or
42 repeal such limit, and the state of New York, the dormitory authority,
43 the state university of New York, and the state university construction
44 fund are prohibited from covenanting or making any other agreements with
45 or for the benefit of bondholders which might in any way affect such
46 right.

47 S 41. Paragraph (c) of subdivision 14 of section 1680 of the public
48 authorities law, as amended by section 67 of part HH of chapter 57 of

53 or to be substituted for or in lieu of other bonds in relation to city
54 university community college facilities pursuant to a resolution of the

2 previously issued by the dormitory authority for city university commu-

15 issued pursuant to any such resolution, except bonds issued to refund or
16 to be substituted for or in lieu of other bonds in relation to city
17 university facilities, will exceed [six] SEVEN billion [eight] TWO
18 hundred [fifty-three] SEVENTY-THREE million [two] THREE hundred THIRTY-
19 ONE thousand dollars. The legislature reserves the right to amend or
20 repeal such limit, and the state of New York, the dormitory authority,
21 the city university, and the fund are prohibited from covenanting or

23 might in any way affect such right.

19 the loss within a lower range than the property owner believes is
20 warranted, the property owner may file a complaint with the board of
21 assessment review. Such board shall reconvene upon ten days written
22 notice to the property owner and assessor to hear the appeal and deter-
23 mine the matter, and shall mail written notice of its determination to
24 the assessor and property owner. The provisions of article 5 of the real
25 property tax law shall govern the review process to the extent practica-
26 ble. For the purposes of this act only, the applicant may commence with-
27 in 30 days of service of a written determination, a proceeding under
28 title 1 of article 7 of the real property tax law, or, if applicable,

49 shall be corrected in the manner provided by section 553 of the real
50 property tax law. The errors in essential fact found pursuant to this
51 act on either the tax roll or final assessment roll, upon application to
52 the county director of real property tax services, shall be forwarded by
53 the county director of real property tax services immediately to the
54 levying body for an immediate order setting forth the appropriate
55 correction.

(f) The rights contained in this act shall not otherwise diminish any other legally available right of any property owner or party who may otherwise lawfully challenge the valuation or assessment of any real property or improvements thereon. Each school district that is wholly or partially contained within an eligible county shall be held harmless by the state for any reduction in state aid that would have been paid as tax savings pursuant to section 1306-a of the real property tax law incurred due to the provisions of this act.

S 7. Bonds authorized. Serial bonds, and in advance of such, bond anticipation notes, are hereby authorized pursuant to subdivision 33-c of paragraph a of section 11.00 of the local finance law, provided, however, that any federal community development block grant funding received by such participating municipality, in relation to loss of property tax funding, shall first be used to defease, upon maturity, the interest and principal of any such bond or note so outstanding.
