1 (B) The commissioner of general services may, from time to time, sell
2 unappropriated state lands at public auction or by sealed bids in such
3 parcels as he deems for the best interests of the state. Previous to
4 every sale, he shall fix the lowest sum at which each lot may be sold,
5 and shall designate at least one newspaper in the county where the lands
6 to be sold are situated, in which the commissioner shall cause notice of
7 the time, place and description of sale to be published, at least once a
8 week for four weeks, successively, before the sale. Such notice need not
9 be published in any other paper or papers, and any statute requiring
10 additional publication of notices or advertisements by state officers or
11 a department, board, bureau or commission of the state shall not apply
12 to such notice. The commissioner may designate a representative of his
13 office to conduct such sale. All such sales shall be held at the county
14 seat of the county where the property is situated, unless otherwise
15 directed by the commissioner.

16 Upon such sales of unappropriated state land to a purchaser procured
17 by any licensed real estate broker and the payment of the purchase price
18 in the amount offered by such broker in behalf of the purchaser, the
19 commissioner of general services is authorized to pay, subject to such
20 terms and conditions as the commissioner may prescribe, a commission to
21 such broker out of monies available therefor. Uniform rates of commis-
22 sion shall, from time to time, be fixed by the commissioner but shall
23 not exceed six percentum of the purchase price. No commission shall be
24 paid for the procuring of any sale unless (1) written authority of the
25 broker to make such offer on a form acceptable to the commissioner,
26 signed by the person for whom he is acting, shall be filed with the
27 commissioner before the day of the sale and unless (2) the broker shall
28 furnish to the commissioner evidence in such form and extent as he may
29 require establishing that the purchaser was procured as the result of
30 the broker's services. In no event shall a broker who is paid a commis-
31 sion by the commissioner as herein provided accept any other commission
32 or fee from any person or source for brokerage services relating to the
33 sale of such unappropriated state land.

34 S 2. This act shall take effect January 1, 2015.
