IN SENATE

Introduced by Sens. VALESKY, BALL, CARLUCCI, GALLIVAN, GRISANTI, LARKIN, RITCHIE -- read twice and ordered printed, and when printed to be committed to the Committee on Commerce, Economic Development and Small Business

AN ACT to amend the state administrative procedure act, in relation to detailing the benefits and costs of proposed rules in regulatory impact statements

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The legislature finds that many rules of state agencies have a substantial impact on the lives of the public, and therefore should be adopted through a process which provides for open and reasoned consideration of the potential costs and benefits of regulatory action. To this end, the statutes governing the rulemaking process should be improved to ensure that agency assessments of the costs and the benefits of proposed rules are reasonably accurate and comprehensive.
