- S 2. Legislative findings. The legislature hereby finds and declares that the run-off system of voting in primary elections for the offices of mayor, comptroller and public advocate in New York city is unduly expensive and generates an unacceptably low turnout of voters. tionally, the absence of any run-off system at all for the offices borough president and council member has resulted in candidates being elected with much less than a majority of the votes cast, and significantly dilutes minority voting power when multiple minority candidates compete for the same office. In an "instant run-off" system, voters rank candidates by order of preference, and if no candidate receives a majority of first-place votes, the top two candidates have the votes of eliminated candidates redistributed to them in order of each voter's preference. The candidate with the most votes after this "second round" is the winner. An instant run-off voting system eliminates the need for a costly and sparsely attended second election, rewards candidates who broaden their appeal as widely as possible, and promotes minority representation by limiting the dilution of minority voting power when multiple minority candidates are on the ballot for the same office.
- S 3. Section 6-162 of the election law, as amended by chapter 424 of the laws of 2010, is amended to read as follows:
- 23 S 6-162. [Primary; New York City, run-off. 1. In the city of New York, 24 when no candidate for the office of mayor, public advocate or comp- 25 troller receives forty percent or more of the votes cast by the members

- 2. In any jurisdiction that authorizes a run-off election after a primary election, if one of the two candidates receiving the greatest number of votes for the same office files with the local board of elections a certificate of withdrawal within three days following such primary election, the board shall accept and certify the withdrawal and declare the remaining candidate the winner and no such run-off primary election shall be held. - (B) IF AT THE END OF THE INITIAL ROUND OF COUNTING, NO CANDIDATE RECEIVED FORTY PERCENT OF FIRST CHOICES, ALL CANDIDATES SHALL BE ELIMINATED EXCEPT THE TWO CANDIDATES WITH THE GREATEST NUMBER OF FIRST CHOICES. THE CANDIDATE WITH THE GREATER NUMBER OF VOTES IN THE SECOND ROUND SHALL BE CERTIFIED AS THE WINNER.
- (C) IN CASE OF A TIE BETWEEN CANDIDATES SUCH THAT TWO OR MORE CANDIDATES HAVE AN EQUAL NUMBER OF FIRST CHOICES AND MORE THAN TWO CANDIDATES QUALIFY FOR THE SECOND ROUND, INSTANT RUN-OFF VOTING SHALL BE USED TO DETERMINE WHICH TWO CANDIDATES SHALL ADVANCE TO THE SECOND ROUND.
