The public owner shall pay 3 FULL, upon requisition from the contractor, for ALL materials pertinent the project which have been delivered to the site or off-site by the contractor and/or subcontractor and suitably stored and secured as required by the public owner and the contractor [provided, the public 5 6 7 owner may limit such payment to materials in short and/or critical supply and materials specially fabricated for the project each as 8 defined in the contract]. When the work or major portions thereof as 9 10 contemplated by the terms of the contract are substantially completed, 11 the contractor shall submit to the public owner and/or [his] ITS agent a 12 requisition for payment of the remaining amount of the contract balance. Upon receipt of such requisition the public owner shall approve and 13 promptly pay the remaining amount of the contract balance less two times 14 the value of any remaining items to be completed and an amount necessary to satisfy any claims, liens or judgments against the contractor which have not been suitably discharged. As the remaining items of work are 16 17 18 satisfactorily completed or corrected, the public owner shall promptly 19 pay, upon receipt of a requisition, for these remaining items less an amount necessary to satisfy any claims, liens or judgments against the 20 21 contractor which have not been suitably discharged. Failure by the contractor to pay any subcontracor materialman within seven calendar days of the receipt of any payment from the public owner shall result in the commencement and accrual of interest on amounts due to such subcontractor or materialman for the period beginning on the day immediately following the expiration of such seven calendar day period and ending on the date on which payment is made by the contractor to such subcontractor or materialman. Such interest payment shall be the sole responsibility of the contractor, and shall be paid at the rate of interest in effect on the date payment is made by the contractor. Notwithstanding any other provision of law to the contrary, interest shall be computed at the rate established in paragraph (b) of subdivision one of section seven hundred fifty-six-b of the general business law. The contractor shall retain not more than five per centum of each payment to the subcontractor [and/or materialman] except that the contractor may retain in excess of five per centum but not more than ten per centum of each payment to the subcontractor provided that prior to entering into a subcontract with the contractor, the subcontractor is unable or unwilling to provide a performance bond and a labor and material bond, both in the full amount of the subcontract, at the request of the contractor. As 5 remaining items of work are satisfactorily completed or corrected, 6 the public owner shall promptly pay, upon receipt of a requisition, 7 these items less an amount necessary to satisfy any claims, liens or judgments against the contractor which have not been 8 discharged.
